ISSUE 2

Hello, and welcome to issue two of *Blood and Honour*, the National Socialist music paper. We hope to bring you what is positive, and good on the patriotic music scene today. However, we start this edition with something that is totally negative:- the White Noise Club.

We at *Blood and Honour* did not think that the vermin who run the discredited W.N.Club (Harrington, Holland and Andrews) could stoop any further, but they have once again outdone themselves. After ripping off band royalties, Rock-O-Rama records, Nationalist music fans and also trying to intercept Skrewdriver Services mail, they have sunk to even more depths.

Firstly a certain Derek Holland has been sending out letters to all sorts of people, mainly bands, trying to create arguments and disunity on the music scene, in the same way he has done amongst Nationalists. Luckily no one has taken any notice of this pathetic little nonentity, so not too much damage has been done.

Secondly Patrick (mummy's boy) Harrington, realising that his nice little earner is falling apart has enlisted his homosexual friends, and yes boys to do his dirty work for him. This means that a freak named Nicholas Barrett from West London spends all his time sending hate mail out to anybody that doesn't agree with mummy's boy Harrington's dreams of him, and his mum, dominating British Nationalism.

Another member of the ever-decreasing Harrington ring of roses group, Mark Alder, volunteered to help a skinhead fanzine called *English Rose* by doing some of the photocopying for it. There was an order for Skrewdriver Services at their new address at B.M.Skrewdriver. Alder tip-exed out the address and typed in the old B.C.M.Noise address. This means that anybody sending money to B.C.M.Noise won't receive their goods, and will be helping the odd couple, Harrington and Holland, finance their pathetic little anti-Nationalist games.

Remember, beware of these people. They are always going on about people working with the police to destroy Nationalism, yet it is they that have tried to destroy the NF and it is now they who are trying to destroy Rock Against Communism.

We will not allow them to do this as we are the true Nationalist music fans. We will not tolerate phoney Nationalists splitting up White people and movements in Europe. We won't put up with their pathetic attempts to gain power by lies and deceit. Nor will we allow them to destroy the destiny of *Blood and Honour*. We will follow the example of the one uncorruptable ideal:- National Socialism, and its great martyr Adolf Hitler. Victory will be ours.

WHITE Whispers

IT SEEMS, by recent media accounts, that Linda Bellos, the black daughter of a Polish Jewish family, who controls a department of Lambeth council, thinks that within seven to ten years under Tory government Britain will have gas chambers for lesbians, gay men, blacks and socialists.

Of course, we as Nationalists wouldn't need this kind of barbarity to deal with our problems. For a start there wouldn't be any black people here, lesbians and gays would crawl back into the sordid holes they crawled out of, and the sensible socialists would see the wisdom of Nationalism.

As for the socialists who insisted on indulging in anti-British, anti-white behaviour, there's always re-education. Also as anti-British behaviour should be regarded as treason, I was under the impression that treason was still punishable by the death penalty - problem solved!

WE KEEP getting reports from our readers on certain fanzines supposedly written by skinheads. These mugs call themselves sussed skinheads, and we understand that they are extremely small number, but do have exceedingly big mouths.

Most of their fanzines slag-off the Nationalist bands, and support bands who no-one has ever heard of. Anyway, thanks for sending us these phoney skinheads addresses, but there is really no need, as no-one ever takes any notice of someone who calls himself an original skinhead, and yet is only sixteen years old.

Hilarious really, isn't it?

ISN'T it becoming alarming the amount of poofs that the media attempt to hype into the pop charts these days. Weekly, we are bombarded by articles praising these perverted freaks, and trying to make them into some sort of heroes to the young pop fans of today.

We've got Erasure, Boy George and the hideous Communards, fronted by that disgusting drawf Jimmy (the squeak) Somerville. Recently we've been informed that Boy George has got back together with his ex-lover, Jon Moss, formerly of Culture Club. I'm sure we're all very happy for the fat iron.

Do people really want to know the sordid details about scum like this? I hope not.

WE would like to send our best wishes, and to say get well soon to Ken from *Brutal Attack's* wife Angie, who was viciously stabbed by subhumans in Croydon a few weeks back.

We understand that Angie bravely stood in front of her pregnant sister and took the carving knife lunge herself. It seems that she has lost the use of her arm which the blade passed through for what could be a year. Anyway Angie, we presume that this means that Ken will be doing all the housework and cooking.

Seriously though, we wonder when the police will be doing their duty and nicking the guilty subhumans that did it. (Ha Ha).

OLD Ronny Reagan, and Ollie North are in trouble for supporting the Contras' noble fight against the lefties pets, the Sandinistas in Nicaragua. As far as we're concerned any struggle against red scum is worthwhile so if you would like to donate to the Contras, or would like any information on their proud fight, send to the "EL SALVADOR/NICARAGUAN DEFENCE FUND, SOLDIER FO FORTUNE, P.O. BOX 693, BOULDER, COLORADO 80306, U.S.A." Help the Contras to destroy communism.

GIG REPORT

South London Sept 87

Blood & Honour presents: Skrewdriver, Brutal Attack, No Remorse, Sudden Impact.

AROUND seven hundred Nationalist music fans travelled from all over the white world to see this concert. None were disappointed by the great performances by all four of Britain's premier Nationalist bands.

First on were **Sudden Impact** with Paul Dunbar warming the excellent crowd up with a great chant-a-long set.

Second on were the rapidly improving young band **No Remorse**. They seem to get better every gig and had the crowd dancing to most of their fast and furious set.

Next on were **Brutal Attack** who were back after a year long lay-off, and you could tell that the Nationalist music scene had sorely missed them by the great reception the packed audience gave them. Ken McKellan's boys rocked their way through a short set of mainly new numbers and went down a storm.

Finally to rapturous applause and a sea of white power salutes on came **Skrewdriver**. From there on it was a non-stop riot of white power rock and roll with flags and right arms raised to honour the white unity of this great night. All too soon the gig was over but for the lucky seven hundred who managed to get into the club it would be a night to remember.

Band News

Skrewdriver

SKREWDRIVER'S new L.P. White Rider has finally been sent off to Rock-O-Rama records to be pressed. Hopefully it will be released by late November. We will keep you informed. *Skrewdriver's* new drummer is John Burnley from South London, and he joins Ian Stuart, Martin Cross and Merv Shields.

Sudden Impact

WE hear that Rock-O-Rama is about to sign a deal to bring out a new L.P. titled *This Time the World* featuring three tracks each by *Sudden Impact, No Remorse, Brutal Attack* and *Skrewdriver.* Sounds Good.

Rebelles Europeans

A NEW French record company are pushing Nationalist music in France and Europe, and helping to lift some of the burden off R.O.R. This can only be good for White music. Rebelles European plan to feature and record a live festival this October in Brest with groups such as *Skrewdriver, No Remorse, Legion 88, Brutal Combat, Bunker 84, Skinkorps,* and *Snix*. The concert will hopefully be recorded for a double live L.P. For any information on Rebelles Europeans, write to 11 Rue Jean Javres, 29200 Brest, France.

No Remorse

WE HAVE been informed that *No Remorse* may be recording an L.P. (their debut album) on the French Nationalist Rebelles Europeans label. Hopefully this signifies an upsurge in the Nationalist record output in the coming months.

An interview with Ken McLellan, vocalist of Brutal Attack

BRUTAL ATTACK **were formed in South London nearly seven years ago. They have had quite a few line-up changes but under the direction of singer Ken McLellan the band have remained faithful to their Nationalist roots, and friends in the business. The band are the longest running White Power rock band around today with the exception of *Skrewdriver* *Blood and Honour* are glad to feature this interview with Ken McLellan.**

B & H. The recent *Blood and Honour* concern was your first for quite a while. Why is this, and do you expect to be doing more gigs soon?

KEN It has been nearly a year since we last played. This was due to our bass player, Paul Thornton, breaking his leg, and because of complications, he had to have it rebroken, and re-set twice. We got over this by recruiting Martin Cross from *Skrewdriver* to help us out for a while, until we got back on the road. Also, our drummer Tony, left to join the army so we found a replacement in Len Fleckney, who I must admit, is probably the best drummer on the Nationalist scene today. We now have some gigs lined up around London, plus two dates in Holland. Also there are several gigs planned around Britain.

B & H We know that because of Harrington and Holland of White Noise not paying Rock-O-Rama, money that they owe them, yours and *Skrewdrivers's* L.P's have been delayed. Do you know when your L.P. will be coming out?

KEN The situation with R.O.R. is now resolved, and new recordings are finally underway. The *Skrewdriver* L.P. is now nearly finished, and as soon as the next *"No Surrender"* LP is done, we will be recording our next vinyl opus. I would like to take this opportunity to that all at Rock-O-Rama for trusting Ian Stuart's organisation, after the way it was treated by the White Noise Club. It seems that the days of being ripped off are finally over, now that the White Noise Club has finally been destroyed, and we at Brutal Attack would like to put our support behind, and wish the *Blood and Honour* organisation, all the best.

B & H We understand that Holland sent you a letter slagging *Skrewdriver* off. We know that he has been trying to split people up because all the groups have realised that he was using the White Noise Club to line his own pockets. What do you think of scum like this trying to use Nationalist music fans to further their own rapidly declining political career.

KEN Those who build their reputations on lies, and deceit will soon pay and decay. This is what has finally happened to what seems to have been two of the most corrupt arseholes ever to have robbed the NF, and there have been a few, Only these two made the mistake of, instead of using other funds, they decided to rob the bands, which has proved to have been their downfall. How long did they think it would be before we realised. Fools, such fools.

B & H Are you going to be doing any new material at concerts in future?

KEN Our concerts in future are going to include a lot of new material. After all, we have had a year to write in, and we have not been idle.

B & H What musical direction do you intend on taking on the new L.P. Will it be heavier than *Stronger Than Before*, or will it return to your earlier punky style?

KEN After seven years together we have found a definite style to settle into. This is somewhere between skin, and rock music. *Brutal Attack* have never been an Oi band, because Oi was too easy to define. We have always tried to expand beyond such barriers. The new L.P. will be a milestone in our careers, as it will be a mixture of heavy numbers, like *As The Drum Beats* and *Rocking For Race and Nation*, and ballads such as *Through The Darkness*, and *Live, Long Enough To Die*, all of which got a good reception at the *Blood and Honour* gig.

B & H Do you think that an independent Nationalist music paper is a good idea, so that people can write straight off to the bands rather than going through people who are not interested in music, and could therefore be corrupt.

KEN The set up of *Blood and Honour* as an independent source of information by the bands, for the bands, is what we have been waiting for. People who are actually interested in music, instead of lining their own pockets, can do nothing but good for the scene.

B & H We consider that by siding with the Nationalist fanzines, *Skrewdriver, Sudden Impact* and *No Remorse*, in their split with the corrupt White Noise Club, have acted honourably. We think that the comradeship and the loyalty of bands to each other, and their supporters, is extremely heartening Do you think that this loyalty to each other is important.

KEN Loyalty is almost the most important factor in the success of this new venture, only surpassed by dedication. The people I feel sorry for are the ones being brainwashed by the White Noise Club. People like Kev Turner who is still in a cell with his mind being turned inside out by the lies he is hearing from the likes of Derek Holland.

B & H Anything else to add Ken.

KEN Finally I'd like to take this opportunity to thank all the people who gave us such a good reception at the *Blood and Honour* gig. It has been a long time, but we're back. We won't let anyone down. The time is now!

ROCKING FOR RACE AND NATION

BRUTAL ATTACK

Our skinhead hearts, they beat as one.
Yeah, they beat in time to the battle hymn drum.
United we will stand, united we will fall
We will answer in defiance to the communist call,
For England we will win in the end.

We are the ones who stand by our word,
Shot full of passion, undying and unheard,
If we stand together, we'll win in the end
The awakening of the phoenix, is just around the bend
For England we will win in the end.

Rocking for race and nation.
Rocking for race and nation.

In the eyes of the law, we're never in the right
But they're unthinking parasites, with narrow minded sight.
We'll blow away the web of lies, that has been layed,
And triumph into glory, re-live the imperial days,
For England we will win in the end.

You see, I love my land, and all it stands for
I've fought so many times, don't mind another war
No one stands a chance I've beaten them all,
So come and listen to me, heed the spirits call.
For England we will win in the end.

There is a rose I want to live for
There is a country I'm willing to die for.
England, England, red, white and blue,
With the spirit of St. George to see us through.
For England we will win in the end.

By Ken McLellan.

Dear *Blood and Honour*,

The gig on 5th September was brilliant. I came up on a coach from Birmingham. I've never been to such a good gig. Well done. Tell Ian Stuart, *Skrewdriver* were ace, tell him, thanks for a good gig. I'm not a skinhead girl and I never got any trouble. I do not like disco music, Nationalist music is the music for me. *Brutal Attack* were good as were all the bands.

Once again, thank *Skrewdriver* for a brilliant gig.

Andrea,
West Midlands.

Watch ya,

Just read the first *Blood and Honour*, and think it's a good mag, and will be ordering in bulk. I'm the security for *Glory*, formerly *England's Glory*, a band from Leicester. They have released an L.P. sharing it with the *Magnificent* on Punks 'n' Skins vol 3. and are now in the studio recording their first L.P. The band have a good live sound, so if you get the chance they're well worth seeing. The band do not support any party but are anti-communist and were pleased to see themselves in the R.A.C. Chart alongside *Skrewdriver*, *Brutal Attack* and the others.

Thanks a lot,

Carl (Glory Security).
Leicester.

Dear *Blood and Honour*,

I would like to subscribe to the paper. I am the singer of a Nationalist band from up here in West Cumbria. We are *Fatal Blow* and we would like to say that we give our support on this independent stance you have taken.

Yours in the true White Faith.

Rog & Fatal Blow,
Workington.

Hello Lads,

I have just received issue no. 1 of *Blood and Honour* through the post from somewhere in the West Midlands. Congratulations on the launch of what is an excellent mag. I have ordered ten copies and will take more as the paper gets better known up here.

Yours for the white man,

John,
Newcastle.

Dear *Skrewdriver*,

I wrote to you a while ago, and ordered certain goods from the White Noise Club, but received no reply. I thought I'd write and try again at your new address. When I received *Blood and Honour* I thought it would be just another paper but I was wrong. It's one of the best info sheets I've read for years, as it gives people something to involve themselves with. It was truthful about the White Noise Club as I was one of the skinheads that they ripped off. I will be writing off soon for a subscription to *Blood and Honour*.

Terry of "British Oi"
Dundee, Scotland.

Dear *Blood and Honour*,

I'm glad you have started the new paper because the old White Noise Club is now run by liars and thieves. I ordered T-shirts from them and never received them. I wrote them a letter telling them that true white Nationalists would no longer have anything to do with them. *Blood and Honour* will have 100% support from all members of the J.F.N. and the ex White Noise members here in Holland.

Best wishes to *Blood and Honour*.

Racial Regards,
Edwin, Stewart, Cees,
and all J.F.N. members,
Holland.

To *Blood and Honour*,

I've just read the first issue of your magazine and I thought it was great. Here in New York we don't have any magazine that supports anti-communist skinhead bands. There aren't many Nationalist bands here but there are a few. I play in a band called the *Elite*. When we do have shows its nothing like your gig report. If we get 100 people it's a really good show, but we will always keep the faith.

Good luck to a great magazine.

Bob,
New York, U.S.A.

Hello,

This is Christopher from Sweden writing. *Blood and Honour* was really good. It't great that it's run by Nationalist music fans for Nationalist music fans. I think that *Blood and Honour* will find a lot of supporters. I will work as much as I can to make it big in Sweden. The youth over here are very interested in skinheads and Nationalism so I think *Blood and Honour* will go very well.

White Greetings from Sweden,

Chris Soderbarke,
Sweden.

B & H Interview

WHITE AGGRESSION

WHITE AGGRESSION formed in Sweden in September '86 and were first named "Hooligan". The band consists of Goran, Jari, Nico, and Uffe. They are a National Socialist band whose lyrics deal with both the problems of Capitalism and Communism. The band hope to put something down on record soon, and their aims are to do as many gigs as possible to help unite the White people of Sweden.

B & H Why did you call the band White Aggression?

W.A. I think White Aggression says it all. It is what we are about, our ideals, the political views we support etc. It is a name that is true to our music with straight forward hard-hitting tunes, and honest lyrics.

B & H Who are you influenced by musically?

W.A. Groups who have influenced us are:- Skrewdriver, Brutal Attack, early 4-Skins, Brutal Combat, Ultima Thule, Legion 88. We are also influenced by, and inspired by old German National Socialist marching songs, and also K.K.K. tapes.

B & H Who are you influenced by politically?

W.A. People like Adolf Hitler, George Lincoln Rockwell etc, who were both great leaders of the White Race.

B & H What are your songs about?

W.A. Our songs are about such things as the White Race, and the new political stormtroopers (skinheads). Mostly they are very political and deal with the struggle the united white man must put up to defeat our common enemy:- Zionists, communists, capitalists and race traitors.

B & H What is the political situation in Sweden?

W.A. The country is run by a social democratic government which is as red as blood. It is very hard as a Nationalist today, especially if you show it openly by being a skinhead. Most of the skins support either the Nationalist democratic party, the Sverige Patriet (Sweden Party) or the two National Socialist parties, Nordiska Rikspartiet, (Nordic Reich Party) or the N.S.A.P. (National Socialist Workers Party).

B & H What plans do you have for the future?

W.A. We hope to do some good gigs to spread the word of the coming White Revolution. We have started to talk with another band called "Dirlewanger", and it looks like we will be doing an E.P. together after the Summer. Also there has been some talk about getting a Swedish Oi L.P. on the streets, so things are beginning to look up.

B & H. You can contact White Aggression by writing to "Streetfight", BOX 6035, 151 06 SODERTALJE 6 SWEDEN.

ROCK-A-BILLY

IN 1977 when the news of Elvis Presley's death was announced to a packed punk audience at the Vortex by a jeering punk rocker, the cheers and applause were unbelievable until one member of the audience took the stage and reminded the crowd, that if it wasn't for Elvis and the other members of the first teenage rebellion against society's pointless standards in the fifties, there could not have been the punk explosion in the seventies.

If it hadn't been for the rock'n'roll stars known, and unknown of the fifties "teenagers" might never have been born. Until the rock-a-billies burst onto the scene you were either a child or a young adult. It was in the fifties that the teenagers were born

Rock-a-billy is white mans' music. From the fifties until the present day, it has and will remain so. Don't let the trendy morons give you the wrong idea. Just because someone wears 501's, leather jackets and greases their hair, it doesn't mean that they are rock-a-billies.

In a years time when the trendies have latched onto something new all the rock-a-billy clubs will still be bopping away for the same people as today.

It is just the same as if a poof shaves his head, wears a pair of D M's and a flying jacket, it certainly does not make him a skinhead.

As more and more of the rock-a-billies attend Skrewdriver gigs, and turn up at skinhead pubs they deserve a warm welcome as it's time everybody realised that we are fighting for the survival of the White Race, not for a cult or a football team.

Most rock a billies wear the Confederate flag for one reason:- White Power. Try listening to some early rocking music and hear the rebellion in the lyrics:- pride in their race, class, and lifestyle and the ever-present message:- The South's gonna rise again.

This article is dedicated to the first teenagers. Elvis Presley, Eddie Cochran, Gene Vincent etc. The following R.A.C. Chart was compiled by North London Nazi Katz.

1. **SAN QUENTIN** - Johnny Cash
2. **JOHNNY B. GOODE** - Skrewdriver
3. **DIXIE** - Elvis Presley
4. **TENNESEE** - Carl Perkins
5. **THE SNOW FELL** - Skrewdriver
6. **SUMMERTIME BLUES** - Eddie Cochran
7. **DIXIE FRIED** - Carl Perkins
8. **ROCK AROUND THE CLOCK** - Bill Haley
9. **REBOUND** - Charlie Rich
10. **WHITE POWER** - Skrewdriver

A Happy 1988 To All Our Readers

Blood & Honour

The Independent Voice of Rock Against Communism

Editorial

ISSUE 3.

THE STAFF AND organisers of *Blood and Honour* would like to thank all our readers, subscribers and supporters for their trust and belief in our new organisation. Our circulation has risen masively over the last months and now we have a very stable organisation.

Despite the great increase in gigs organised by us we have not had any of the usual complaints from fans about paying for tickets in advance. This is because tickets in advance is an obvious and easy way to rip people off, and as Nationalists we will not do this.

Another thing is that it is unfortunate that we have to keep on going on about Pat Harrington and Derek Holland. This is because we have to make it blatantly clear that these two are anti-Nationalist vermin and intend to destroy Nationalist music as well as Nationalism: and we will have nothing to do with them.

They harp on about people who don't agree with them being police spies. Consider this and decide for yourself.

QUESTION, Who:-

1) Split the NF into two, resulting in many good Nationalists leaving altogether.

2)Shut down the NF H.Q. in Croydon.

3)Sent hate mail, including wreaths, to NF pensioners on the opposite side to them.

4)Attempted to disrupt other Nationalist parties election campaigns.

5)Ripped off countless Nationalist bands and fans.

6)Got the annual Remembrance Day Parade called off.

7) Tried to get RAC gigs cancelled.

8)Turned NF News 'green' instead of red, white and blue.

9)Stayed in a nice hotel for the St. George's Day festival, whilst the bands stayed in a barn to help save money for them to waste.

10)Started a fight against other Nationalists then ran off and told the police, resulting in a nationalist being prosecuted.

11)Wrote letters off to people everywhere telling lies and attempting to split up the R.A.C. Movement?

ANSWER. We know who did this, and if you'd bother to ask around, you would know too. Anyway enough of the odd couple.

Thanks for your support, and may we wish you a happy 1988.

1. GIG REVIEW .
NOVEMBER 1987.
SOUTH LONDON.
BRUTAL ATTACK, NO REMORSE & SPECIAL GUESTS, SKREWDRIVER.

On a cold rainy night in South London nearly 300 people turned up to see two of Britain's premier Nationalist bands play.

First on were **No Remorse** who gave was has become their usual fast furious set which had the crowd up and dancing.

Secondly, to the delight of the crowd up jumped **Skrewdriver** to do a guest spot of five numbers filmed by Belgium Television. The audience went wild especially when Ian Stuart was joined on stage by Ken McLellan of **Brutal Attack** and Paul Burnley of **No Remorse** to belt out a great version of their classic *"Free My Land"*.

After a few minutes break for the audience to calm down and refill their glasses, on came **Brutal Attack** to loud applause. Ken led the boys through a great singalong set, and finally finished the night off with a frantic version of the *Return of St George*. All in all it was a great night by the Blood and Honour bands.

2. GIG REVIEW.
DECEMBER 1987.
STOCKHOLM.
SKREWDRIVER.
WHITE AGGRESSION.
DIRLEWANGER.
AGENT BULLDOG.

Well, after a lot of messing around and hard work Skrewdriver finally got to Sweden. First the P.A. didn't turn up, and then the original hall got cancelled. Mind you the B & H bands have had to put up with pressure from Reds, the police, and most recently a four-eyed nonenity from White Noise. However against all this pressure an extremely small P.A. was acquired by 9 o' clock (2 hours late) and the concert began.

The sound was terrible but the groups and the audience were determined to have a good night. The three support bands all gave polished, well-received performances especially Dirlewanger who hail from the Swedish port of Gothenburg. White Aggression who featured in the last B & H were also a very good band.

Finally hours late to rapturous applause on came Skrewdriver. The band, despite the awful equipment, powered through eight songs which the whole audience sang word for word. About two-thirds through the set the police pulled the electricity.

Unfortunately due to this being a hastily organised replacement hall there was nothing that could be done. However the audience were great and everyone is now looking forward to seeing Skrewdriver in Sweden again for a well-organised future gig.

Youth Defense League

THE following is an interview with Nick, vocalist of the American Nationalist band Youth Defense League.

The band formed around Autumn 1966 as a skinhead hardcore unit. The band went through various changes but now we have finally come to the best line up which is:-

NICK - VOCALS
DEAN - BASS
RISHI - DRUMS
NICK - GUITAR

We are currently looking for another guitar player.

Do you see yourself as a Nationalist band, and do you see Nationalist music growing in influence in America?
We are definitely a pro-American, Nationalist, anti-Communist band. At the moment there are not too many Nationalist bands in the States but I think that the way things are going a strong upsurgence in Nationalism is imminent.
Have you put anything out on record and do you have any plans for further recordings?
We have a track called *Turncoat* on *Oi Glorious Oi* and we will be doing an album on 'Line' records which should be out around springtime. We would also like to put a track on the next *No Surrender*.
What political individuals and musical influences have inspired you to do what you do?
Our political influences range from the US Constitution and American Founding Fathers (Washington etc.) to David Duke's National Association for the Advancement of White People. Our musical influences are Skrewdriver, Brutal Attack, Combat 84, Last Resort, Agnostic Front and early American hardcore bands like Iron Cross, Negative Approach and D.Y.S.
Do you have any plans to play in Europe?
We would very much like to play Europe but at the moment the dollar isn't faring too well which makes it even harder to get money together. Hopefully by the end of the year we should have enough money together to get over.
What are the skinhead and Nationalist scenes like in the States?
The skinhead scene in America was always into hardcore and at its height during the early '80's was very big. However it was never very political. I think that now Oi! and slower rock music is becoming more popular amongst skinheads and I feel this will open up a new scene. There are a lot of nationalist parties in America unfortunately only a few are really worth anything. The best party is probably the NAAWP.
Have you anything you would like to add?
We would like to see greater unity between America and Europe to present a united front against Communism. Also support to the Contra Freedom Fighters.

Cheers to Ian Stuart, Muru, Terry, Wackett, Oliver North, our road crew - Kile, Joe, Brian, Frank, Adam and my beautiful bird Maureen.

What are your top ten songs?
1. Strikeforce - Skrewdriver.
2. Return of St George - Brutal Attack.
3. Liberty & Justice - Agnostic Front.
4. Voice of Britain - Skrewdriver.
5. Combat 84 - Combat 84.
6. Crucified - Iron Cross.
7. Soul Boys - Last Resort.
8. Remembrance Day - 4 Skins.
9. A Way of Life - Indecent Exposure.
10. Sick Society - Skrewdriver.

Lyric Board

OLD GLORY

Salute the flag flying strong and true
Take pride in the culture that belongs to you
Our national heritage will never die
As the stars and stripes is raised to the sky

CHORUS
Old glory - the pride and the pain
The power we had we shall regain
Old glory - The red, white and blue
to the star spangled banner we shall remain true

Remember the brave men that fought and died
So our proud young nation would survive
While cowards bury their head in the sand
We will rise to save our land

CHORUS

We'll always live up to our destiny
Always stay loyal to our great country
However black the future may seem
We'll hold on to the American dream.

CHORUS

The flag that I fly means so much to me
My life, my freedom and our history
From the prairies in the west to the mountains up high
To keep them all free I am willing to die.

Dear Editor,

Many thanks for the copy of *Blood and Honour*. It was much appreciated. I was unaware of the White Noise problem although I had heard that Skrewdriver had left the organisation. I was worried how to get info on the band, their concerts, records etc. However my worries were put to rest by reading *Blood and Honour*. I found it interesting reading, especially to hear that the Ovaltinies are reforming, which can only strengthen the nationalist music scene. Keep up the good work, and many thanks.

Pete, Amesbury.

Dear *Blood and Honour*,

I purchased your 'zine at the South London gig in September. As I read through it I found you were right when you say that the White Noise Club was a rip off, I sent them money a number of times for flags, records and T-shirts but didn't receive a thing.

When I wrote asking for the reason, they just sent me pieces of paper with more things to order. (cheek eh?). Anyway, I am subscribing to *Blood and Honour*, and wish to know when the new White Rider LP by Skrewdriver will be out.

Andy, Wales

Racial Greetings to all those at *Blood and Honour*.

I recently received a few copies of *B & H* No.1. It is very well put together with interesting interviews as well. I reckon that *B & H* will eventually become very successful, much more so than the White Noise Club who ripped me off for £22.00. Could you send me a list of your merchandise as a lot of lads and girls have been asking about T-shirts and records etc., and we obviously can't trust the White Noise Club. Hope to hear from you soon.

Racial Regards, Hail Victory.
Andy, Melbourne, Australia.

Hallo *Blood and Honour*,

I came across your concert in South London recently with some friends. It was really great, a powerful sound and a great new Skrewdriver line-up. All the bands were good, and I had never seen No Remorse before and they were pretty good.

We had a little trouble at the customs because we had some Nationalist papers with us. (I didn't know that they weren't allowed!). Anyway it was well worth it, and we'll be coming back when Skrewdriver play again.

Racial Regards,
Brigette, France

To Ian and Skrewdriver,

Your group has such an impact on us skinheads here in the USA. We put on your tapes before any event to make it a perfect day. Although it's tough to get your music over here but we find our ways. I am a seventeen year-old skinhead girl and participate in the white student union.

My late grandfather was a member of the Klu Klux Klan. I enjoy your music especially when my spirits are down, and I feel like giving up. You are truly the best.

Lots of love and White Pride,
Tonya, Illinois, USA.

Dear *Blood and Honour*,

I have just received my copy of *Blood and Honour* and I hope that it does really well. I am glad you will not be like White Noise, because I have been done out of lots of things from ads in their magazine, but I'm sure you will do your best not to.

It's a pity that you bands spent so long getting the White Noise Club so well known and now have to start again. I'm sure you will really do well. All the best luck for the future.

Tim, Scotland.

Dear *Blood and Honour*,

Thanx a lot for your dispatch of your No.2. It's a great magazine. The letters of your readers show that it has an important world impact. In France we have many bands who need support like yours, such as Legion 88, Totenkopf (R.I.P.) Force d'Impact etc. Good luck in the future.

Long Life to *B & H*.
Thierry, France.

Dear *Blood and Honour*,

I bought your [illegible] 2 at the fantastic concert on the 12th December. It was a great moment in my life because it was my first Nationalist concert. The music, the mood and the comradeship were great, and it was a great surprise to hear No Remorse, as I have not heard of them before. They should do well with the good nationalist songs. Now I want you to send me 10 copies of the next six issues.

With Comradeship.
D.J.L., Bremen, W. Germany.

To Skrewdriver and Brutal Attack,

I was sorry to see your recent Xmas gig in Newcastle had to be cancelled as I know a lot of people, including myself, were looking forward to it. I hope something can be arranged for after the New Year. All the best with *Blood and Honour*.

Yours for race and Nation,
Spin of Skullhead.

To *Blood and Honour*,

I would like the next six issues of *B & H*. I would like to know if the White Rider LP by Skrewdriver is out yet. I like *B & H* as it was about time that a decent magazine came out without rip-offs like White Noise. I like your interviews and skinhead articles, unlike the conning bastards at White Noise.

Yours faithfully,
John, Gwent, Wales.

Please send me the next six issues of *B & H*. I hope that the real voice of Rock Against Communism will be stronger than before. Hope to see your gig in the new year.

Regards, Frederic, Villemoisson, France.

Des Clarke, one of the founders of Blood and Honour, and a member of Skrewdriver Security, and another friend of the band, Terry Clancy were recently arrested and sentenced to two years each. Their crime was to get attacked by a mob of red football supporters who apparently supported Celtic.

The police following what must now be orders, nicked the people who look the most patriotic. (One was wearing a Skrewdriver, Gt. Britain shirt). The judge and prosecution first tried to claim that they were skinheads, despite the fact that they were rock-a-billies.

Then they were accused of what the State seems to consider the most evil of crimes, being patriots. That was it, affray was decided on over a few cocktails, and two years was the disgusting sentence.

Please drop Des and Terry a line to let them know they are not forgotten.

ISSUE 4.

HELLO AGAIN and welcome to Issue No.4 of the only paper that expresses the uncensored views of White Youth and Nationalist music fans alike.

Since the last issue, we have received a great deal of interest from the media. At one gig a film crew from Belgium were present to film the bands for a documentary on Nationalism, which was screened in Holland and Belgium.

On Saturday 30th January at a *Skrewdriver* gig in Croydon, no less than 6 representatives from National Newspapers/Magazines attended to witness one of the successful gigs on which *Blood & Honour* has built its name.

Of course we don't expect there'll be a good word said for the bands, fans and organisers behind *Blood & Honour*, but we have come to expect the 'blacklist' treatment that anyone who proclaims their loyalty to Race and Nation receives.

The treatment we receive from the demons of the anti-White Media, does not dishearten us, and when our good name is dragged through the dirt we remember this slogan: *"THAT WHICH DOES NOT DESTROY US - MAKES US STRONG"*

Some readers may think that we go on about Harrington, Holland and the 'White Noise Club' but we feel it is important to show the 'White Noise Club' for what it is - A Rip-Off!

Read on now, and remember that we welcome any comments from you - our readers.

Racial Regards, The Editor.

Congratulations

We would like to congratulate two of our readers, Russ and Lorraine, from Leicester, on the birth of twin baby boys. Danny and Kurt. Congratulations to you all.

More congratulations to two American readers, Sean and Cassandra from Chicago on their recent marriage. Good luck for the future.

Dear comrades at *Blood and Honour*,

Thanks for the letter and explanation. As always, the Veneto Front Skinheads sha'nt fail to support an organisation where skinheads and young Nationalists are respected and esteemed. Therefore the V.F.S. members will be proud to support *Blood and Honour*. We are very interested in the new Skrewdriver L.P. *White Rider* to distribute to our members.

Nationalist greetings.
Massimo. Vicenza. Italy

To Ian Stuart,

Please accept the illustrated essay *German Paratroops In Action and Training* as appreciation for doing a song for me, as a member of the German Paratroops in World War Two, at the Rock Against Communism gig in South London in September '87. I was very touched by the high esteem yourself and your band as a whole holds about the paratroops who fought in W.W.II with whom I served.

I was also deeply moved by the way the *Blood and Honour* bands who played on that September day, paid homage to Rudolf Hess who had died recently, after 46 years of imprisonment for trying to restore peace in May 1941.

I am now an old man, hence it may not mean much, but I would like to thank you, Ian, and all the Nationalist rock bands, because you are a massive unity-creating force amongst young Nationalists, and skinheads from all European lands.

In my book Ian, you are the Kurt Student, and the other rock band leaders, are the unit commanders of the "paratroopers of the New Dawn".

Thanks again. Magnus W.

Editor: Ian and all the other band members would like to say thanks to you Magnus. They are proud that you hold them in such high esteem and they are also proud to count someone such as yourself, who has come through a brother war created by red and zionist pressure, as a personal friend.

Dear Racial brothers,

I am glad that somebody is showing the zionist music press what real white people's music is like. I'd like to subscribe to *B & H*. Many greetings from the J.F.N. Sassenheim area.

White Pride is our right,
T.M. The Netherlands

Hello.

To all at *Blood and Honour*. We have a band in Italy called Plastic Surgery. White Noise has censored parts of our interview in its paper. Among the bands we listen to are Skrewdriver, and we are also a Fascist band (Italian way of the National Revolutionary).

Thanks a lot, all the best,
Max. Plastic Surgery, Italy.

Dear *B & H*.

Could you send me issue four of *B & H* as soon as it comes out. After reading the previous issues I am eager to read No. 4 of this great paper, the best I have yet read.

I look forward to reading the R.A.C. charts, White Whispers, gig reports etc. It is the only paper to offer the truth, the whole truth, and nothing but the truth.

Yours sincerely,
T.W. Hounslow.

Ian,

I hope all is well, and good luck with the independent R.A.C. I hope you all do well. We are staying with White Noise for our own reasons, and I hope you will respect our decision as we do yours.

I did slag you off at first, but now I am aware of what's happened. I take it all back. I can only apologise and hope it will be accepted. I did it out of ignorance and I should have known better.

Wishing you all the best for '88,
Kev Turner - Skullhead.

Editor: We thank Kev for his letter. Our argument is not with Skullhead or even the NF, just with Pat Harrington and Derek Holland. We respect what people like Kev have done and wish him all the best and an early release. Anyone wishing to write to Kev can do so by writing to: R60123 Kev Turner, G. Unit, H.M. Prison Acklington, Morpeth, Northumberland NE65 9XF.

I have been watching with pride and admiration the resurgence of White Youth throughout the world. Through your magazine *Blood And Honour* that resurgence will be that much stronger. Hail Victory.

You have all maintained good steady progress over the past several years but much work still needs to be done. Support for another is the key. Race is the tie that binds, and our White God is the one who leads us to victories.

My best wishes to Anne who showed real Aryan Womanhood by courageously attack for her pregnant sister. To protect the 'Tribe' is of utmost concern. Our women are the embodiment of the future of our race and deserve the very best protection and love from each of us. Helga she acts well soon.

Well, enough talk, just wish me luck all the very best. From my family to yours. Long Aryanism.

Dear *B & H*,

I would like to point out that skinheads are constantly abused and harrassed by the Red Zionist system and by newspapers who don't understand what it means to be a skinhead. The press makes out that we are all glue-sniffing thugs that mug old ladies. They don't realise that we have the guts to speak out against the Reds. It's for the future of our green and pleasant land that we fight. I write in hope that you will print my letter.

Racial Regards, Richie, on behalf of Lancaster and Morecambe Skins.

Dear Skrewdriver and *B & H*,

How are you? My friend Rob went to London this summer and brought back the first two *Blood & Honours*. I read them and thought that they were brilliant, to say the least. My friend also bought Skrewdriver's Blood & Honour L.P., who are my favourite band. I would have congratulated the band before but the address was not on the L.P. They don't sell the L.P.'s over here because they say it's racist. However I do not consider a long awaited cry for our freedom and pride, to be racist.

Well that's about all for now, so thanks for being a great band, and the very best of luck to you whatever you do in the future.

Yours Supportively,
Tim, Alberto, Cundit.

Dear *Blood & Honour*,

Just a few line to thank everyone who has written to me since I have been inside. I apologise for not being able to write to everyone individually, but as anybody who has had a stay with H.M. Prisons will know, letters are few and far between. As you can see my address has changed, and I am now in a semi-open which is a lot better than Wandsworth, although I'll still appreciate the letters anyone writes.

I have only received one letter which made me sick. This is from one of Holland and Harrington's White Noise "National Revolutionaries" as he calls himself, he just wrote to slag off me, *B & H*, and all the hard work that Ian Stuart is doing for true Nationalists, National Socialists. So Spunk from Cardiff, and any like-minded idiots may as well keep their letters and leaflets in case they run out of toilet roll.

Just a few more lines to thank everyone for writing and thinking of me. Thanks to: Edwin (J.F.N. Holland), Trampo (B & H, Sweden), Rod, Mark C., Caroline (I apologise sincerely), Graham, Tony, Maria, Laura, Kate and Jane (little sis), Archie, Sarah, and a special mention to Paul G., Nicky Crane, Angus, and Joe Fraser. Also most importantly to Ian Stuart (for everything he's done and is doing) and to Suzy for everything, as well as being there).

Terry would also like to thank everyone who has written to him, and says keep on writing. He sends his best wishes to all B & H readers, and all his mates.

QUIS SEPARABIT?- Des Clarke.

EDITOR: Remember to keep on writing to Des and Terry because a letter is a way of letting them know that they are in our hearts.

We know that Harrington and Holland were lenc, but having letters sent to people in person is even lower than we thought their rapidly decreasing circle of supporters would stoop. Anyway true Nationalists everywhere are waking up to the antics of these left wing scum.

RECORD REVIEWS

Nicky Crane with Paul of No Remorse.

SKREWDRIVER
-WHITE RIDER-
Rock-O-Rama Records

IT HAS been just over two years since Skrewdriver's last LP was released, but for the thousands of fans, of the Number One Nationalist band, it has been worth the wait.

The popularity and success of the last LP *Blood and Honour* prompted Skrewdriver to carry on with their own brand of Rock music, although *White Rider* is not as heavy, musically as *Blood and Honour*.

White Rider certainly 'packs a punch', with hard-hitting and meaningfull numbers such as *Strike Force* (a song about South Africa and its fight against world pressure), this song has proved to be very popular at gigs.

Other classic tracks which stand out are *New Nation, White Warriors* and a very powerful *Pride Of A Nation* which capture the enthusiasm of the bands' National Socialist belief.

The first song on side two is a slow melodic number entitled *The Snow Fell*, which tells the tale of brave soldiers

returning to the Fatherland from the battlefields to find the devil's red flag flying.

Another bonus of this LP is the new version of *Built Up, Knocked Down*. First released in 1979 as a single, which, due to its rarity and popularity has been re-recorded for *White Rider*.

Over-all, this LP is an excellent piece of musical history, which goes further to prove that Skrewdriver will never be defeated by the anti-white music industry and its cohorts.

***White Rider* is available for £6.50 inc. p&p (£7.00) from Europe) from Skrewdriver Services. Send to B.M. Skrewdriver, London WC1N 3XX.**

NO REMORSE

THIS TIME THE WORLD

***This Time The World* is the debut album by No Remorse, and all in all it is an extremely good first L.P.**

The first thing that strikes you about *This Time The World* is the excellent cover drawn by Nicky Crane. The design is of three generations of White Warriors:- A Viking, a stormtrooper and a skinhead, and this of course is very relevant given the left's present hysterical paranoia about skinheads.

The album starts off with the title track which is a popular powerful number. *Bloodsucker* bemoans the inflated prices and stale food usually associated with Asian corner shops, followed by *This Land Is Ours* which states the people's rights to their land of origin.

The next song *True Of Life* is like Oi meets Kenny Rogers. It is like a Nationalist country and western song and is a very catchy tune. *Race Traitor* is an excellent song which reminds me of a newer version of Zodiac Mindwarp and is my personal favourite.

The next three songs are singalong favourites, *We Salute You (Rudolf Hess), Smash The Reds* and *Nigger*

Probably the bands most popular number follows, and *Hail The New Order* is a fine tribute to the men who have died or been imprisoned by Z.O.G. in the fight for White survival. *Six Million Lies* just reinforces the fact that the holocaust was the great hoax of the 20th century. *Mother England* is a song dedicated to the bands roots and has a stirring quality which makes you proud to listen to.

Last but not least is an excellent instrumental number called *Sword Of Defiance* which rounds off an album which is one of the best Nationalist albums around.

P.S. This is definately not an album for wishy-washy patriots who veil their ideals behind double meanings. Definately won't be popular with gentlemen of semitic persuasion.

No Remorse - *This Time The World*, available for £6.50 inc p & p from No Remorse, and sent to B.C.M. Box 5103, London WC1N 3XX.

Blood & Honour Interview

THE ELITE

THE ELITE were formed in May 1987 by guitarist Bob and singer Dan. The Elite nearly disbanded after the sudden death of Dan, but they managed to stick together and recruited a new vocalist, Mike. They are a promising young band who have managed to get away from the 'Thrash Punk' tag which is often associated with U.S. bands. The following is an interview with guitarist Bob.

B & H. What influences you both musically and politically?
Bob. Our music is greatly influenced by bands such as Skrewdriver, No Remorse and Brutal Attack. Our political influence stems from day to day life.

B & H. What do you think of Rock Against Communism papers such as *Blood and Honour*?
Bob. Well, it turns out that the White Noise Organisation is run by liars and thieves. It's truly despicable how these so-called 'Patriots' steal from White nationalists. *Blood and Honour* however, helps to unite the world-wide anti-communist music scene. They are very trustworthy and I have nothing negative to say about B & H.

B & H. Name two of your songs, and tell us about their meanings.
Bob. *Raise The Flag* is about nationalist perseverance, in their battle to win a free land. *We've Gone Too Far* is about how traitors should be dealt with.

B & H. Have you recorded anything yet, or have you plans to do so?
Bob. Our demo tape should be available soon.

B & H. Have you anything else to add?
Bob. We would like to thank Paul of No Remorse, and our supporters in America. Anyone wishing to contact The Elite can do so by writing to:-

RAISE THE FLAG

The menace from the East, has reared its ugly head,
And you say it could never happen here,
The time is now to show that we all care,
Give this great land all that she deserves.

See what they have promised, Equality,
See what they can give us, sheer poverty.
Hear a lot of talking, but nothing's said,
It's just a lot of empty talk to fill our heads.

CHORUS.
Raise the flag, armies marching out to disinfect our land,
Raise the flag, the time is now, do you understand,
Raise the flag, push out all the traitors, leave them for dead,
Raise the flag, put all the bodies into eternal beds.

Left-wing propaganda, it's in our schools,
They're using our children as communist tools,
People should be ashamed for all they've done,
Teaching them the handshake, instead of the gun.

People have been preaching, and it's all lies,
Heard them preaching, but our kind die,
We've got to put a stop to this great crime,
We must do it now, while there's still time.

CHORUS.

SWEDISH SUCCESS

A recent trip to Sweden by two of our organisers was a great success. We now distribute over 200 copies of *Blood & Honour* to the Swedish people. We now have four organisers in Stockholm, three in Gothenburg, one in Sodertalje, and one in Uppsala.

The only two bad points about the trip was the unwelcome presence in Sweden of a so-called reporter from the Jewish communist rag *Searchlight*. Calling himself Graham Atkinson (more likely Cohen, or Gable) he was over there trying to cause trouble for any patriotic Swedish people. He conned the Swedish newspapers into thinking that he was a proper journalist and even had one of them saying that he was a welcome and well-respected writer (ha, ha). I'd say he was about as welcome as a pig in a synagogue.

The second bad point was that Derek (ripp off) Holland has sent one of his close friends to Sweden to try and ripp-off Swedish people, the same way as Del Boy has done over here. This creature, calling himself Tommy Edwards, or Allan Hawkins (he can't use his real name as he is an illegal immigrant in Sweden) has started selling bootlegged tapes and telling people that the groups receive royalties from him. This is of course, in the great White Noise tradition, a complete lie.

This mug has been sending our Dutch and Belgian organisers illiterate and silly letters, using yet another name. Obviously he hasn't the courage to put one of his adopted names, because the same as his leaders he is a coward.

Enough of depressing capitalists like White Noise and communists like Searchlight. Our trip was a complete success, and thanks once again to the Swedish people who made the trip so pleasurable. Especially to Hasse, Giselda, Ann, Catje, Vicky, Kente, Conny, Tommy Monogo, Tjorborn, John and Anne, and Peter R. Thanks also to 'Streetfight'.

NORMAL PEOPLE

DEL Boy's members must wonder where their subs etc. are going to these days as *NF News* becomes more and more like *Searchlight*.

NF News now seems to spend all its time praising blacks and slagging White Nationalists down. Maybe ol four eyes is trying to turn his faction of the NF into a leftist multi-racial debating society.

If so, he's doing a good job. Mind you, he'll have to watch himself if he ever has to debate with normal white people. That's probably why he and Patsy very rarely mix with the common people.

FREAKS

A RECENT issue of *NF News* reported that branches of the Harrington/Holland version of the NF were no longer allowed to sell Skrewdriver goods. It's about time, as we at *Blood and Honour* consider that being as Skrewdriver are a Nationalist band only Nationalists should make money out of them, and not capitalist freaks such as Harrington and Holland.

However, it seems that ol four eyes himself (Holland) is exempt from this ruling as he is still raking in the money for Skrewdriver tapes (illegal of course) through his 'Defendant Tapes' business - set up from profits from the nearly defunct White Noise Club. One law for them eh Del Boy?

NAUGHTY CHRISSY

WE recently had a letter from a tubby little revolutionary from Cardiff. We know that there is no accounting for peoples' taste but this little chappy actually thinks that ol four eyes is a great leader (snigger). Anyway, to get back to the point, Chrissy (the revolutionary in question) has been reading *Blood and Honour*.

Well Chrissy, who's been a naughty little revolutionary then. Hasn't Patrick and his mummy forbidden you to read such wicked Nazi propaganda? Who'll be getting slapped wrists for disobeying orders from above? Who knows, he might even be summoned to Huntingdon or Kensington for more personal punishment.

NOT SAFE

WE have discovered that the address for our Swedish organisation advertised in the last issue is not safe. One of the people who is connected with that address may be, or may have been, connected with the corrupt White Noise Club.

This may not be the fact, but just in case, until our Swedish organisers open a new mail box, our Swedish members should write directly to the London address. Better safe than ripped-off by fake Nationalists.

UP DATE

UPDATE on the last Whisper. The Nordic Fist address is run by the previously mentioned 'Tommy Edwards' who closely following ol four eyes's example is running his illegal business to finance himself. Therefore people best beware of writing to this address if they don't want to be ripped off.

"BRAVE LITTLE ISRAEL"

IT'S good to see that a few people are waking up to the fact that *brave little Israel*, as it loves to be referred to, is not the shining example of racial tolerance it likes to have people think it is.

Even the zionist controlled media are finding it difficult to cover up the atrocities being committed by the Israeli State against defenceless Palestinians. Maybe the Jews running the media and race relations business over in Europe won't be too quick to condemn European people for occasionally losing their tempers with the floods of coloureds swarming over Europe.

Mind you, there is a difference. Europe is the Europeans' land, Palestine does not belong to Israel.

WALDHEIM

IT'S amazing to see the hysteria being stirred up by the Jews about the legally elected leader of Austria Kurt Waldheim. Totally fabricated stories, and downright lies are being thrown about to try and force him out of his position. Any honest people will disregard this zionist claptrap and support this man who has bravely stood against the usual barrage of semitic venom. Austria voted him in and the Austrians should stand by their leader.

Ms Amanda Mitchieson

Just a short message to Ms. Amanda Mitchieson who wrote a hysterical little article for leftie rag *New Society* slagging down the girls who turned up at the recent White Xmas gig. Seems Ms. Mitchieson thought they weren't good looking. Well Amanda, the only hideous looking pig we saw there that night was you, you punched-faced commie dog.

Editorial

ISSUE No.5.

International Success

WELCOME to No.5 of *Blood and Honour*. We have a lot of good news, and a tiny bit of bad in this issue. *Blood and Honour*, circulation has risen enormously once again and we are going to have to have more printed of future issues.

Our success has been widespread all over the White World. For this reason we have included a feature, the International League which will list the top ten countries who take *Blood and Honour* in order of how many they take.

Blood and Honour is the result of a ten-year struggle against the music establishment and their leftie allies. This struggle was started by Skrewdriver, joined by Brutal Attack, and is now supported by bands from all over the White World.

The police have occasionally tried to stop the music, but have now reverted to threatening pub landlords who serve skinheads, and patriots. The reds are forever threatening action, but as usual with reds, they haven't got the bottle.

The only threat left now is Patrick Harrington and his dwindling band of fairies and perverts. They have managed to get a couple of gigs called off but we have overcome this before, and will do so again.

We do however have a few gigs here, and abroad coming up, and five bands have signed new three-year contracts with Europe's top Nationalist label Rock-O-Rama.

We will be having a big Summer concert featuring six bands just outside London on August the 27th. So here is a message to the music press, the reds and Harrington: You can't stop the "White" music.

Racial Regards, The Editor.

The Editor,

Dear *Blood and Honour*,

This is Alex from Italy writing. After I had been cheated by White Noise I decided to become your subscriber, because I think you are the best example for all the Nationalist supporters. I'm sure you will find many supporters in Italy where I will work as much as I can to make it big. White greetings and regards from Italian comrades.

Alex, Venezia, Italy.

Dear *B & H*,

I discovered your magazine from a friend of mind (Gad, the manager of Brutal Combat). I think that *B & H* is a good Nationalist magazine. Long live *Blood and Honour* and its members and we hope to see you soon in France.

For Race and Nation,
Jan, Bretagne, France.

Dear *Blood and Honour*,

I've just received your second issue which I found great. It is the best Nationalist paper I've read. Skrewdriver is a great group and their songs are very good. We live in a small town where there are a few skinheads. We want to say hello to all the lads in Europe. Greetings from Geert and Eddy from Tienen in Belgium.

Blood and Honour,

I'm just writing to tell you what a bunch of cowardly bastards the few White Noise people left in Wales are. The NF have instructed them to bring out a couple of fanzines, namely *British Oi*, and *Welsh Leek*. They are both run by the NF and White Noise, and both slag off *B & H*, No Remorse, Skrewdriver and all true white power bands. However I note that they both sell Skrewdriver and other *B & H* bands' goods. What a load of hypocrites. Also I note that despite the slag-offs of Ian Stuart etc. none of them would have the bottle to say it to his or other *B & H* fans faces. They make me ashamed to be Welsh.

Racial Regards,
Helen, Cymru.

Dear comrades in arms,

I've just read the second issue of your paper and it's the best N.S. paper out. My comrades and I of the N.F.F.K. (National Front Frei Korps) plan to travel to Europe and Gt. Britain to meet comrades. We want to make *B & H* a success here. Finally I'd like to thank Ian Stuart and the guys from Condemned 84 for their undying spirit against the Bolshevik/Zionist scum.

Regards, Tony, Little John
Chris, and Vinny, N.J. U.S.A.

Dear Comrades,

I am a Portuguese boy. I am a member of the Nationalist Movement M.A.N. We fight against communism and zionist capitalism. We are proud to be white, and don't like our land to be flooded with scum. In Portugal the skin movement is very young but very strong. There are two important zines here. The *Combate Branco* in Oporto and *Vento Do Norte* in Almada. In Almada there is only one Oi band *Guarda De Ferro*. Like skins in other European countries we have problems. The police on one side and reds on the other.

Greetings to *B & H* , for Race and Nation,
A.C. Vieira, Portugal.

Dear *Blood and Honour*,

I recently received a crummy little fanzine called the *Leek* from Wales. I don't know why I received it because I certainly never asked for it. Anyway, this fanzine accused Skrewdriver of chasing girls, drinking and fighting on a visit to Sweden for a concert. The *Leek* evidently thinks this behaviour is not acceptable. Are we to think that the male (I think) editors of the *Leek* , Wyn and Spike, who refer to themselves as White Noise national revolutionaries prefer chasing boys, drinking lemonade and running away. Incidentally if the above apprentice Che Guevaras are reading this, don't waste your pocket money sending me your *rubbish* again..

Nationalist Regards,
B.M. Rotterdam.

Dear Editor,

I would like to start my letter by thanking you and the rest of the people who produce *B & H*, which is a first class white music magazine, Skrewdriver for continuing to produce great Nationalist music after all these years. My main message is to some readers who for some reason believe that Nationalist music is meant only for skins. Even though skins have been and always will be at the forefront of our movement, there is not only room, but a need for others to come out of the shadows and support the cause; if we are ever to make an impact in this country and Europe. I myself was a skinhead and am proud of that fact but because my hair has grown and my dress has changed, my love for this great country has not. I urge patiots to come forward and show that we are not the handful of fanatics that the Jewish-*run* media makes out. We must be ready to speak out against the left-wing scum contaminating our Nation. I have received a lot of support and interest in our movement from a surprising cross section of our local community, and hopefully I can persuade more to attend *B & H* concerts.

All the best in the future,
No Surrender,
Archie and fellow Borehamwood Nationalists.

Dear *Blood and Honour*,

I hear that the rip-off merchants from White Noise are at it again. After telling everyone in *White Noise* and *NF News* that they are reducing prices on Skrewdriver t-shirts and not producing any more, I now hear that my local branch, Lambeth, have produced a whole new range of Skrewdriver shirts. One member told me that over 90% of Lambeth's orders are for Skrewdriver shirts and that the only reason they dropped the prices was to try and force the band to come grovelling back to W. Noise so that they could rip them off for more money. This is a really bad way to treat other Nationalists.

Yours for race and nation,
Dave, Vauxhall, London.

Just received a copy of *B & H*. It was like a flame out of the ashes. It's really encouraging to see so many bands putting out music for White youths. Hopefully your publication will provide some hope and inspiration for the ranks of disillusioned youths out here.

Many thanks to you guys and all the bands for your efforts, both printed and musical. From the wasteland.

Dennis, Detroit, U.S.A.

Oi *B & H*,

Thanks a lot for issue 4 of *B & H* which was ace, just like the rest. I'm pleased that *B & H* has kept up the standards and hope it continues to do so.

I received a letter and info from a bloke called Macleod (organiser of the NF in Scotland). I think they're getting desperate for members. Anyway, they sent me a copy of *NF News*. It slags off *B & H* and Ian Stuart. I find it funny that they slag off *B & H* when it was them who ripped us off (skinheads everywhere who supported them). Now, most of the skins have found pride and honour in Skrewdriver and in particular *Blood and Honour* and all it has done for Nationalism in such a short time. They are now trying to turn us against *B & H* and all the bands that have stood by true Nationalists everywhere. I know that they will not succeed because we are stronger than before (as Brutal Attack once said). I personally am no longer prepared to be ripped off by scum such as them.

Yours,
Terry, Dundee, Scotland.

Dear Comrade,

I have a couple of spare hours as I sit in a Paris cafe. This morning we marched in commemoration of Joan Of Arc, in the centre of Paris. It was a good experience to be able to march once again with fellow Nationalists and comrades.

I particularly want to tell you of my experience this morning. Perhaps you would like to include the letter in your next issue of *B M H*.

As in Britain, the French Nationalists are split into various groups. Unlike us at the moment, the different groups do have the

ability to march (almost) together. Each group assembles and then each individual group then attaches itself in turn, to the main body. The result, an impressive march.

One group I particularly want to mention is the *Blood and Honour* Skinhead group. I was impressed. They were smart. Their bearing and discipline was excellent. The media, as you might expect, focused on them. They were a credit to the Nationalist/National Socialist movement.

I just heard that the restaurant which was our Saturday evening venue has since been smashed up by a mob of anti-white pro-Jewish criminals.

It certainly was a good weekend. It wasn't costly, and accommodation, though basic, was provided. The V.M.O. and the J.F.N. Nederlands were present. Tell you comrades, next year, they should attend.

For Race and Nation,
John P,
Leicester.

WHITE PRIDE - WORLD WIDE

BUNKER 84 - French-style NS rock.

GIG REPORT

AFTER various venue cancellations, the organisers of this gig found an excellent place for Belgium's biggest ever National Socialist gig.

At 8 o' clock that Saturday evening things started off in the right way with the appearance of local band **Fight Action** who got a good reception with numbers entitled *National Socialist, 1940* and the 4-Skins' classic *Chaos*.

Next on were the top French band **Bunker 84**. *Victim of Democracy* was the highlight of their 20 song set, it's a catchy song about Rudolf Hess.

About 300 European people travelled to see this R.A.C. spectacular and now the Headliners **No Remorse** were on stage and although there may have been 5 to 10 different nationalities present everyone was united under a hail of right-arm salutes. A hilarious sight was that of the audience (mainly skinheads) doing a country and western dance to *The Tree of Life*.

After delivering two new songs *Son of Odin* and *What's It All About?* **No Remorse** went on to play *Smash The Reds* three times at the request of the enthusiastic Skinheads.

All in all it was a great night and an unforgetable European Debut for **No Remorse** and I'm sure it will enhance the sales of their new L.P. *This Time The World*.

A NEW DAWN FOR WHITE MUSIC

WITH the new *White Rider* L.P. by Skrewdriver selling faster than any other Nationalist or Rock-O-Rama L.P. ever, and the No Remorse debut L.P. *This Time The World* hot off the Rebelles European presses, things are looking good for the future of White Power music.

On top of this a historic event took place a few weeks ago in London. Rock-O-Rama working with *Blood & Honour* magazine signed contracts with five top Nationalist bands. More bands from Europe and even further afield are expected to sign soon.

So far, Skrewdriver, Brutal Attack, No Remorse, Sudden Impact, and Vengeance have signed three-year contracts for two L.P.'s a year. This ensures a minimum of thirty Nationalist L.P.'s over the next three years. This is a great leap forward for our movement and as more bands sign, the nearer to a large-scale breakthrough we will move.

Best Wishes to *Blood and Honour*, and all in Britain from Mirko, and two Germam comrades pictured above.

SUDDEN IMPACT

THE following is an interview with Flubs who is the bass player of one of the founding *B & H* bands. The band has recently signed a three-year contract with the German Rock-O-Rama record company. The contract is for six albums over the three-year period. They have also put three tracks on the soon-to-be-released *God Of War* compilation L.P. along with Brutal Attack, No Remorse and Skrewdriver.

B & H. We understand that Sudden Impact have put 3 tracks on the new R.O.R. compilation L.P. Can you give us any information?

FLUBS. That's right. At last we've got something on vinyl. The tracks are: 1) *Ready and Waiting*. 2) *British Revolution* and 3) *All For England*.

Ready and Waiting is a statement to say that we are ready to be used in the struggle of the White Race. *British Revolution* is about a mixture of things: Reds, Capitalism, Immigrants, American troops, etc. *All For England* is about the way we are put down for our views, but still believe in our country.

B & H. What is your line-up? Have you any news on your debut L.P.?

FLUBS. Our present line-up is:- Paul (vocals), Flubs (bass), Danny (guitar), Nobby (drums). We will be in the studio in the near future. The L.P. will be called *Give Me Some Sudden Impact*.

B & H. Now that the Harrington White Noise faction plans to destroy and split up the skinhead movement have failed, how do you see the future?

FLUBS. Personally, I think it looks a whole lot better than it was before with his little antics. If the govt., police, red's, blacks, and whoever else can't destroy us, what chance has a p···· like Harrington got.

B & H. What music do you listen to?

FLUBS. I listen to Motorhead, Iron Maiden, Girlschool, Paul is a fully-fledged Motorhead freak. Danny listens to Section 5, Business etc, and Nobby likes the Macc Lads. Of course we all listen to all the White Nationalist groups.

B & H Any plans for the near future?

FLUBS. We are looking forward to the seven-band Summer Festival to be held just outside London in late August. Now we are in gigging form again we hope to play as much as possible.

B & H. As the Nationalist bands are at the forefront of the White Movement, have you had any trouble for your beliefs?

FLUBS. The only thing that springs to mind is when our guitarist got a phonecall from someone claiming to be from Red Action (it was probably someone from the Harrington NF faction).

B & H. Do you have anything to say to your supporters and our readers?

FLUBS. Yes. Even though we have not gigged for a while, many people have written, pledging support, and we would like to thank them. Also, thanks to Rolo.

WHITE Whispers

PONCE

OUR readers may be interested to know what the freak circle are up to recently Well mummy's boy is threatening to take Rock O Rama records to court because they have released *White Power, Voice of Britain,* etc. on the new singles compilation L.P. Patsy claims that these songs belong to him.

Well we have news for the little ponce. Nothing of Skrewdriver belongs to you or your queer friends. It was only recently in that tatty left-wing rag calling itself *NF News* that they claimed they wanted nothing to do with Skrewdriver. It seems however that mummy's boy doesn't want to give up making a living from poncing off other people.

INDECENT EXPOSURE

WE hear that recently the pitted faced queer from West London, who busies himself sending unsigned letters complete with minature models of himself in the form of his own excrement, got caught in a pub the other week. Apparently when he got a slap he cringed and whined and tried to blame everything on someone called Boz from East London.

However it is known that despite being a little simple this "Boz person probably wouldn't stoop to pit-face's level. Even funnier this cringing creature, it turns out, has a criminal record for indecent exposure.

Mind you on reading some of the disgusting letters he has sent to people, including pensioners; we are not surprised. I suppose the pit faced pervert realises it's a case of, if the whites don't get you, the vice squad will.

SHOW TRIAL

YET another show trial in Israel. An innocent Ukrainian car worker living in America is deported to the Holy Land on the evidence of a few liars. Sentenced to death, of course, with the full support of the Jewish, sorry world press.

An alsatian dog seen running around a park in London is believed to be Wotan the notorious guard dog to Belswhitz holiday camp in Poland.

Another survivor, Moshe Eagleburger said that Wotan once nicked his ice cream cornet whilst he was sunbathing next to the pool. Death can be the only sentence.

Wotan leaves three bitches and at least thirteen pups behind. Moshe said, *"Now I can live my last years in peace, and also put an early offer in for Wotan's kennel and belongings. That's my life".*

P.L.O. MAN MURDERED

DID you see the recent news programme reporting the murder of a P.L.O. official in Tunisia, reportedly by Israeli agents. The report showed the Israeli cabinet sitting around their table with twisted grins on their faces.

Mind you, I suppose anyone would grin if they were the only country in the world that could get away with cold-blooded slaughter without wholesale media condemnation. Come to think of it though, they probably own the mass of the global media.

WHO'S HE WORKING FOR

WITH Patrick Harrington busy sending out court threats to most of Britain's, and even some of Europe's Nationalist parties, record companies, groups, individuals etc. We wonder if he'll be sending any out to left-wing or immigrant organisations.

It seems as if he's only interested in destroying any Nationalist progress, so we must obviously wonder about who he's working for. It is obvious that this boring little nonentity must be considered a bigger threat to Nationalism than Ray Hill ever was.

WHO SUPPORTS THE IRA

SOMEBODY, it is rumoured, that is high up in the Harrington *NF News* faction has been sending letters sympathising with the views of the IRA to prominent republicans in London.

We wonder if all the directorate approved them, or even if they knew about them. We know who it was but we're keeping it quiet for now, as it will be interesting to see how he tries to wriggle out of this one.

WHITE UNITY

A few of our readers wrote and said we should not have printed Kev Turner from Skullhead's letter. They said that because he is still with White Noise he can obviously not be trusted.

However, as we said before Kev Turner has had nothing to do with all the trouble. The blame for that lies directly on Harrington and Co's. doorstep. We printed Kev's letter because we as bands have no argument with other patriotic bands.

In the interests of Nationalist unity, we will not be slagging down Nationalist bands. Unlike Harrington and a couple of tatty "NF" fanzines we are in the business of advancing the cause of white music, not destroying it.

GOOD LUCK for the future of *B & H*, and all warriors of the White Race all over the world from Skinheads Bremen, West Germany, pictured below.

We WON'T Change

IAN STUART

JUST AS the U.S. Government is going out of its way to harass and attempt to convict Nationalists, the same thing is happening in Britain.

Skrewdriver's Ian Stuart was held for almost two months in Wormwood Scrubs on a trumped-up charge of 'Violent Disorder'. During that period Ian appeared before a magistrate on *five* occasions, yet never once did the police present any evidence against him. Eventually he was set free.

As this issue of *Blood & Honour* goes to press Ian is still a free man, but there is a real danger the police may try to stitch him up again. It's the old police motto - 'A stitch-up in time save nine'. The real reason for holding Ian in the custody of Her Majesty's Government is that he is an active promoter of all that is good for Britain, just as Pearce, Tyndall etc have been in the past.

This underlines the undying fact that Zionist dominated governments the world over are not prepared to give the people their basic democratic right - Free Speech!.

ROCKING FOR FREEDOM

VIOLENCE broke out in Brest, Northern France after the Police stopped a R.A.C. Festival from taking place.

Skinheads and assorted Nationalists were wating to see **No Remorse, Brutal Combat, Bunker '84, Legion 88** and **Skin Korps** when the news came through that the police had ordered the organisers to stop the gig an hour before it was due to start.

The police paid the price for this disgusting treatment of a peaceful concert, when skinheads (many who had travelled from Sweden, Holland, Germany and all over Europe) made their presence felt.

Blood & Honour would like to praise the organiser of the gig, **Gael Bodilis**. He lost a lot of money but gained a lot of respect.

French and other European skinheads should support his record label **'Rebelles European'** as he is at the forefront of the R.A.C. movement in France and without his courage and determination many French bands would be un-recorded.

SQUADRON

SQUADRON are a new skinhead band from the Woolwich area of South East London. They were originally formed in 1985, but split-up and re-formed during October and November last year.

The present line-up is Jim (guitar), Shok (vocals), Brad (bass) and Rob (drums).

Blood And Honour spoke to Jim, Shok and Rob in a crowded pub at the end of June.

B & H: Which of the band's members are responsible for writing the songs?

Jim: Shok and I write the songs together. We try to write songs which aren't 'punch in the nose' type things. We try to make our lyrics mean something, to make people feel deeply about love for their nation.

B & H: Have you played any gigs yet?

Shok: We played in Portsmouth on May 7th, supporting Skrewdriver, Brutal Attack and Sudden Impact. We also played in Ferry Hill, about seven miles from Durham on June 18th. We were supposed to be supporting Condemned '84 but the gig was smashed up by rival northerners fighting each other.

Rob: We're not going back!

Shok: We did only five numbers. We were supposed to be on for an hour and a half! The gig would have gone really well. They were even dancing during the sound check, but the trouble ruined it.

B & H: You said that you were supposed to be supporting Condemned '84. What did you thing of them?

Shok: Some people said that we shouldn't support Condemned '84, but they were really good to us. They are on the verge of being a fully-fledged Nationalist band. They're singing songs about Zionism.

B & H: What about Squadron's plans for the future?

Jim: We hope to get a demo-tape out soon. In the longer term we hope to get a French company interested in producing an album.

SQUADRON - In Their Own Words

BLOOD & HONOUR asked Jim, Shok and Rob of Squadron to explain what the group's music is about in their own words.

Traitor To The Cause

Jim: We are sick of all the ex-skinheads who have betrayed their principles. Even if you grow your hair you should stick to your beliefs.

White Law

Shok: It's all about joining together, and that Nationalism's the only cause.

Jim: It's about the way the media twist everything. Skinheads are painted black and if I fight back, nine times out of ten I'll be found guilty.

Shok: But its main message is that if we keep fighting we'll get 'white law' in the end.

No Red Flags

Rob: There'll be no hammer and sickles over Britain!

Time For Change

Jim: It's about all the rapists and child molesters and why the death penalty should be brought back.

Burning Books

Shok: It's about the shit which is taught in schools today.

Our Time Will Come

Jim: It's dedicated to the Zionist lies. It's a statement saying how sick and tired we are of seeing them rob and steal from our country whilst only a handful of true Nationalists will stand up and fight back.

R.I.P.

Shok: It's dedicated to our leader Adolf Hitler to show that we won't let his spirit die.

Show Our Strength

Jim: It's a ballad-type song which really has to be listened to, to understand it. It's about our struggle for white freedom.

Lyric Board

OUR TIME WILL COME - by Squadron

Sick and tired of watching,
The zionists control and gain,
Rich men on our T.V. screens,
Looking so vain,
Raping our nations,
They take what they want,
Join up, join in the fight,
It's time that they were stopped!

CHORUS:

The fight is now in our generation,
Shock troops fighting zionism,
Come take arms and fight for the love,
Join up, join in, Our time will come!
Our time will -
Our time will come!
Our time will -
Our time will come!

Sick and tired of hearing,
The zionists' dirty lies,
They claim they are the chosen race,
We know that ain't right,
Seen them feeding off our land,
Like leeches sucking blood,
Join up, join in the fight,
It's time that they were stopped.

CHORUS:

Sick and tired of knowing,
The zionists are getting rich,
Bleeding money from our land,
It makes me fucking sick,
Brainwashing peoples' minds,
They sing the same old song,
Join up, join in the fight,
It's time that they were stopped!

CHORUS:
Our time will - Our time will come!
Our time will - Our time will come!

THE 'White Noise' Anthem

Black is Beautiful
Nazis are shits
Commies are cool
Stuff the Brits.

Gaddafi is great
Supports the IRA
Racists we hate
'Cos we're glad to be gay!

WHITE WARRIORS ON THE MARCH

THOUSANDS of trendy yuppies must have choked over their cornflakes when they opened their copies of *The Guardian* on June 20th. For, staring them in the face was this large photograph of a White Warrior on the recent National Front march against terrorism in London.

By the way, the march wasn't organised by the Pat and Del Boy faction of the NF, but by the side of the NF who support *The Flag* newspaper. Confusing isn't it? But at least *The Flag* haven't ripped off the cause of white music which is more than can be said for the Pat and Del Boy 'camp'.

At least the 'cheeky' tattoo in *The Guardian* photograph gave Brutal Attack a free nationwide advert, though it is unlikely that the 'snivelling left-wing scum' who read that rag are likely to queue up by the thousand to buy "Return of St. George" t-shirts!

MEANWHILE BACK AT THE FUNNY FARM

GRAHAM WILLIAMSON is a member of the 'other' NF. That's right, the looney 'anti-racist' NF, run by Pat Harrington and Delboy, who also run the White Noise rip-off club. While real Nationalists are fighting for a White Europe Graham is busy welcoming coloured immigrants into the Pat & Del camp. P.S. - Graham is the one in the middle. . .

GIG REPORT

PEGGIOR AMICO IN ACTION

VENETO Skins organised this gig and it was the first R.A.C. gig ever in Italy. The night went well. No trouble. 300 skinheads turned up to see Peggior Amico who played songs from their excellent demo tape. Next on were Nomina Dresda who went down a storm.

Headlining were Brutal Combat from France. Their set was met by enthusiastic chants of 'Seig Heil'. *Blood & Honour* was on sale, and we hail our Italian comrades for taking a step forward for Rock Against Communism in Italy.

THE NEXT ATTACK!

MANY *B & H* readers will be looking forward to the release of Brutal Attack's next album. And if the five songs on a rough-mix demo-tape which is currently floating about are anything to go by they won't be disappointed.

The first song on the tape, which I think is called *(For England) We Will Win In The End*, is a catchy heavy metal(ish) number which is almost reminiscent of Led Zeppelin in places. Certainly Ken's vocals are stronger and more raunchily aggressive than ever. The lyrics too are memorable and pull no punches:

"There is a Rose I want to live for
And there is a country I'm willing to die for".

The second track is a synthesis between Oi and Heavy Metal, the lyrics of which are deep and philosophical, reminiscent of the words of *Searching* by Skrewdriver:

"I just want to live long enough to die
I can't take no more and I don't know why,
All the pressure's killing me, driving me insane,
I thought I knew all the rules to this game".

Track three is more of a traditional Oi song which oozes aggression:

"Rocking Against Communism,
I fight for freedom
Just like my father did. Rocking Against Capitalism,
The evils of the world
They have to be rid.
LONG LIVE THE NATIONALISTS!"

The fourth track invites comparison with two Skrewdriver songs. The guitars grind along insistantly, in a similar fashion to Skrewdriver's *Free My Land*, although the track's guitar riff is quite distinct from that in *Free My Land*. Meanwhile, the lyrics are reminiscent in their poetic qualities to the excellent Skrewdriver track, *The Snow Fell*. The difference lies in the fact that this track is far more upbeat than the Skrewdriver song. Nonetheless, the poetry of the lyrics can't be denied:

"Through the darkness you shine
Like a diamond in my memory".

Who said skinheads can't be poets!

But the best track of this bunch of five is the last, which I think is called *Changes*. It bears no similarity to the David Bowie song of the same name but it is just as brilliant. It opens with a guitar intro similar to AC/DC's *Whole Lotta Rosie*, played brilliantly, I think, by Ross, whose rendition of Lynyrd Skynyrd's *Free Bird* during a recent Brutal Attack practice session was something else.

But if the guitar on *Changes* is ace, so are Ken's vocals which reach new heights of power and aggression.

The message of this last track is simply and summed up in these two lines:

"I've got nothing to lose
And we've got everything to win".

If these five excellent tracks are anything to go by the next Brutal Attack album should really be something worth listening to.

ROCKING THE REDS

PRINTED BELOW is an article which appeared in the red rag *City Limits* in June. It proves, if proof were needed, that the reds are terrified of Rock Against Communism. After all, the article reports Red Action as saying that the UK's neo-Nazi movement "has doubled over the last two years". Well, *B & H* has news for Red Action: YOU AIN'T SEEN NOTHING YET!

N E W S

ROCK AGAINST REASON

Brutal Attack's Ken McLellan, captured on video at last September's Marden gig.

FASCIST BANDS AND THEIR FANS ARE BUILDING A WORLD-WIDE NETWORK OF CONTACTS, AND ARE GROWING MORE VIOLENT. QUENTIN HEDERMOTT AND ARLEN HARRIS INVESTIGATE.

Ten days ago groups of far right skinheads ran riot in France, after a concert was cancelled at the Bretons port of Brest. The skinheads, armed with knuckledusters and knives, carried out a series of racist attacks which left eight Arabs injured – one with a fractured jaw.

The concert was to have included a French band, Evil Skin, who play regularly at rallies organised by the extreme right wing French MNR (Nationalist Revolutionary Movement). One of Evil Skin's members is an MNR member.

SOS Racisme, the French anti-fascist group, says Evil Skin are a 'racist band whose lyrics constantly praise white power.' Their spokesman said that in the past few years 'there has been an increase in numbers and support for right wing skinhead bands.' The original inspiration came from British Oi! music.

Two British skinheads were arrested in France and sentenced to a month's jail for carrying knives. One, Shaun Tarbit (aka Hevenside) plays with two of Britain's most prominent Nazi bands, the Vandals band No Remorse and Brutal Attack. No Remorse are avowed British Movement supporters, Brutal Attack describe themselves as 'Nationalist'. Both were on a bill in Morden, last September, with two other prominent fascist outfits: the former National Front band Skrewdriver, and Sudden Impact from Croydon. Scores of skinheads from all over Europe attended. Skrewdriver, No Remorse and Brutal Attack were also due to play at the cancelled French festival.

City Limits has seen a video of the concert which clearly demonstrates the event's ongoing link with the racist scene. At the Cavern, a clothing and accessories store in Carnon Street, off Langdon Street, Skrewdriver records, and compilation records by far right European groups were also obtained from the store. The records are distributed by the West German Rock-o-Rama label, run by businessman Herbert Egoldt. The label publishes a list of more than 62 records by European far right bands.

The Cavern also sells fanzines such as 'Offensive Weapon' and 'Pure Impact Skins' which carry product names and addresses here and abroad. 'Pure Impact' claims the movement is really on the rise in such countries as the USA,' while playing Rock a Rama, and Rebellen Europeens, a new French nationalist record publisher. The shop also has a Skrewdriver pro-Falklands poster in the window, signed by a member of the band, with the handwritten message, 'Cardiacs – the top record store.'

Cardiacs is the company which, up until a couple of weeks ago, was placing records by skinheads bands (from the left as well as the right), in The Cavern. They stopped after the landlords sent a solicitor's letter pointing out that they were contravening the terms of their lease by selling it.

Andrew [illegible] John, Cardiacs' owner, admitted this to *CL*. Cardiacs has found another outlet in nearby Rupert Street, due to open this week.

Close by, in Berwick Street, the wholesale store Badge Sales peddles Nazi regalia, shoulder patches for No Remorse, and flags with Celtic crosses. Badge Sales' owner, Oscar Zanello, says, 'We sell Communist badges as well.' Zanello says he sells whatever is popular, including badges for mainstream, apolitical bands. 'At the moment it's Blur.' St John takes a similar line. 'The skinheads are nice people – they spend money. They're completely different to the football hooligans, a skinhead doesn't look for trouble. A lot of it is to do with fashion.'

According to the militant anti-fascists of Red Action, fashion is a pre-requisite: they observe that the National Front's own music set-up, Chain Reaction, 'dresses differently from ... Nazi skinheads. Black is the order of the day, especially black flying jackets. Black bodies are OK but black skins aren't. Not only has your average fascist gumby got to be politically conscious – he's also got to be fashion conscious.'

Violence from Oi!'s looser fringes has been well documented. One major ruckus took place some years ago at the Hambrough Tavern in Southall, one of the apolitical bands on that bill, The Business, performed at an Oi! event at the Astoria, in early April, staged by Andrew St John's Cutdown Promotions. The bill was headlined by the socialist Angelic Upstarts. Trouble flared when a small group of fascist skinheads started a fight. Fourteen people were arrested.

'One day, we will see National Socialism all over Europe.'

According to the 'skinzine' Offensive Weapon, 'After the Upstarts knocked out NF members including Brighton Bomb and Soldier, members of the UHA present quite understandably, at this blatant support of the IRA, got upset.' Red Action say the far right bands' support for the UHA is well known and that the UHA has had speakers at some gigs. The anti-fascist monthly Searchlight reports that Ulster has been a target area for the White Noise movement. And Skrewdriver, in a 'skinzine' interview, remarked: 'We hope to play in Ulster soon, a gig for the lovalist prisoners with the UDA.'

Violence and racial hatred are also a hallmark of the video seen by *City Limits*. 'Right – this is for everybody that done the Redskins at Jubilee Gardens. It's called Streetfight,' announces a Skrewdriver member at the gig. The same band member pays tribute to 'the Chelsea Headhunters' – Chelsea's notorious football 'supporters'.

The video shows skinheads chanting 'Sieg Heil', and giving Nazi salutes. 'This one,' says a member of No Remorse, 'is about the biggest lie in history – about the so-called six million Jews who were supposed to be gassed.' One day, he adds, 'we will see National Socialism all over Europe.'

Skrewdriver, formerly associated with the National Front, have now left, after a dispute with White Noise over their royalties. Skrewdriver now publish 'Blood and Honour,' ('The Independent Voice of Rock Against Communism') which openly lays into the White Noise Club run by Patrick Harrington and NF Chairman Derek Holland, while promising to follow 'National Socialism, and its great martyr Adolf Hitler.'

Andrew St John told *City Limits* that he will not stock albums by No Remorse, adding that there are only 'probably two or three hundred out and out fascists in this country.'

But the 'skinzines' suggest the bands are doing very well indeed. 'The Truth at Last!' reports that Rock-o-Rama has signed up Skrewdriver, Brutal Attack, No Remorse and Sudden Impact to produce two albums and two singles a year. In an interview with 'Offensive Weapon', Brutal Attack's vocalist Ken McLellan claims 'we can make about £1500 every time we bring out an LP.' McLellan says Cardown's promotion of nationalist bands is 'getting their records over to the country, isn't it?' There are plans, he says, to play in Sweden, France, Holland and Germany, and 'there is talk of gigs in America.'

'The Truth At Last!' also quotes, critically, a report by the New York based Anti-Defamation League, exposing US skinhead groups with neo-Nazi leanings. The same 'skinzine' boasts an interview with Bob Miles, a former Ku Klux Klan leader in Michigan. And Skrewdriver announce that Rock-o-Rama 'have just made a deal in America'.

Some of the fascist bands' most notorious front men are now behind bars. Kevin Turner, vocalist for the Croydon based band Skullhead, and a supporter of White Noise, is serving a four year prison sentence for a violent offence. A member of another band is in custody in Wormwood Scrubs, awaiting trial on a violent disorder charge.

Red Action, meanwhile, with other groups, are planning to launch a new anti-fascist music set-up, Cable Street Beat, with a gig in early July. Red Action believes the UK's neo-Nazi movement 'has doubled over the last two years,' and that anti-fascist propaganda needs to be directed not just at victims of fascist attacks, but at some of fascism's potential recruits – young, unemployed, disillusioned, white working class kids. Hoping to tie the new organisation in with events run by Anti-Fascist Action, Red Action are proud of having already 'turned over' a few fascists, and mock those fascists who, they say, 'lead from the back.'

'The old Bill don't like us,' admit Red Action. 'But they like them even less – they use violence just for the sake of it.'●

WHITE Whispers

Blood on Their Hands

INFORMATION has reached us that the Murder of Rudolf Hess was part of a cowardly plan to silence the truth about World War II, on behalf of the British Government.

The Russians, looking for a better image in the West, agreed to President Kohl's (of W. Germany) pleas to release Rudolf Hess on humanitarian grounds. The Russians were to release Hess on their next turn in guarding him.

The British Government heard the news and summoned various national representatives.

They knew that Hess was still of a sound mind and that on his release would expose the evil treacheries of the British Government, and their deliberate rejection of a peace plan to stop the World War in 1941. For this reason they sent two S.A.S. soldiers to murder Hess and claimed suicide even before the post-mortem had been carried out.

On August 17th this year, have a thought for a man who tried to stop a war and the traitors who ignored him in the cause of Alien pressure.

Black Rights - or Kill Whites

WEMBLEY Stadium was yet again the stage for another multi-racial catastrophe. This time they were celebrating the birthday of a black terrorist, last time, as we all remember, it was to boost the income of Bob "Give us yer money" Geldof.

Would the idiots who donated money, who acted like monkeys in the cause of Black Power, have been so keen to attend if it was their young kids or wives who had been bombed, attacked etc. by the terrorists they were financing?

Mandela Stands for KILL WHITES! Not BLACK RIGHTS!

Perhaps someone could get in touch with Wembley Stadium and ask them if they'd consider staging a Rudolf Hess Concert. I wonder what their reply would be?

White Victory at Fort Smith

BLOOD & HONOUR send their sincere congratulations to the 13 White patriots who were freed on a charge from the Zionist Government in the U.S.A. of "conspiring to overthrow the U.S. Government".

The U.S. Government has really gone out of its way over the past few years to silence the voice of White Power in America. It has relied on the support of the pathetic White liberals and grasses who are interested in their own wealth or 'cranky' politics.

One thing the US Government did not think of, is that the jury, who were made up of common farmers, would give a 'not guilty' verdict because they were not part of the Nationalist oppression plan.

This is a significant victory for White Supremacy. WE WON'T BE SILENCED - OUR VOICE IS THE TRUTH!

PRIDE & THE GLORY

THE GLORY formed about two years ago. The original line-up was Timmo (vocals), Mark (lead), Nick (bass) and Daz (drums).

The line-up changed when Daz was knocked off his scooter, smashed his leg and was unable to continue. Just after that Nick was replaced also.

The new line-up was Timmo, Mark, John (bass) and Jim (drums). This is still the line-up today.

The band has its own sound - quite rocky, not just the shout and twang of the early dodgy bands. You can notice the influence of Cock Sparrer and Sham. This is probably due to the fact that the band are old enough to have actually seen these groups first time round.

The band's image is very clockwork, with gigs seeing the floor packed with white dungarees of the security and the clockwork crew who follow them.

The Glory are very patriotic and anti-commie but they don't belong to any party. They used to be called England's Glory.

They have recorded a fair bit on *Punks Skins Vol 3*, *Oi Glorious Oi* and *That's What I Call Oi*. This year the band released the l.p. **We Are What We Are.**

Timmo was impressed by Skrewdriver's *The Snow Fell* and I think it's the band's favourite Skrewdriver track.

OWN SONGS

As for *The Glory's* own songs, clockworkland speaks for itself:

Scarred For Life is about how everybody decides that we're bad and don't give us a chance because of what we are. Everything we say is wrong, or twisted or taken the wrong way. We are guilty before we're tried. Be a skinhead and you're always to blame.

Nobody's War is about joining up and how it changes you, and fighting in a war that wasn't our's but the government's. When you die all you get is a medal.

Should Have Paid is about a pervert who gets put away for his sick crime and instead of being hung he gets protected from other prisoners. There's no justice.

Who'll Bear The Shame is about someone wiping out this planet - America or Russia - simply by pressing a button and there's nothing anyone can do about it. We've got the best army in the world and we could be winning but they wipe us out with a button.

The Glory have a new t-shirt coming out soon. It has three clockwork skulls on it with the words "The Glory - Clockworkland".

More info on The Glory can be obtained by writing to 22 Redmarle Road, Braunstone, Leicester LE3 1PJ.

APOLOGIES

FIRST WE would like to apologise to all the people who travelled from all over the world to attend the R.A.C. concert on the 27th August. Unfortunately one of Patrick Harrington's friends, a freak from Hertfordshire found out where the concert was.

Harrington then teamed up with reds, and believe it or not an Iranian supporter of the Shah of Iran, to put pressure on the owners of the hall. Due to this pressure the owners cancelled the concert the day before it was due to happen. This meant we could not inform people about the cancellation and it was too late to find an alternative venue, despite desperate attempts to do so.

In future, as fool proof methods of staging concerts as possible will be used, so as not to disappoint our supporters. Our organisers estimated that there would have been around one thousand people attending the concert. This would have been the biggest R.A.C. gig yet, but there will be many more. As we said before - no Kensington rich boys will stop us. We will win.

White Pride - Worldwide

Secondly, our cover picture. As the paper cutting on page 3 shows, Klans and the Aryan Nations organisations in the U.S.A. have welcomed Skinheads to their movements.

This is a great breakthrough and we salute our American comrades in their great victory. Forward for the White Man. White Pride, World Wide.

Special welcome extended to Skinheads

Can play key role, racist tells crowd

By Bill Morlin
Staff writer

HAYDEN LAKE — Aryan Nations leader Richard Butler welcomed Skinheads into the white supremacy movement Friday, and said they can play a role in cleaning up the streets of inner cities.

"I want to especially welcome those youths who are called Skinheads," Butler said in opening remarks at the Aryan World Congress.

The gathering, at the Aryan Nations church near Hayden Lake, has attracted an estimated 300 white supremacists and separatists, including Skinheads and Ku Klux Klansmen, from throughout the United States and Canada.

FBI agents, federal marshals and Kootenai County sheriff's deputies are monitoring activities, by making and watching video tapes of all vehicles entering and leaving the Aryan compound on dusty Rimrock Road.

At one point Friday, four FBI agents pulled up in front of the compound entrance and took turns snapping souvenir pictures of each other standing in front of the "Aryan World Congress" banner and color flag bunting.

Participants are charged $10 to attend the three-day event, and will eat a spaghetti dinner tonight before a cross is burned or lighted with Christmas lights in a KKK ceremony.

An estimate of Skinheads in attendance wasn't available, but Butler has said he expects more than a dozen, including Spokane youths who have shaved their heads in trademark style. Skinheads in vehicles bearing Illinois, Oregon, Nevada and Utah license plates were seen entering the compound.

The gathering is closed to the press because, Butler and other Aryan leaders claim, news reports have unfairly depicted the white supremacy movement.

"We welcome the youth," the Aryan leader added. "One thing they're going to do when they get the proper guidance is clean up the streets."

Butler also spoke briefly about his acquittal in April on charges of plotting the overthrow of the government. "We felt like we were one," he said of his 13 co-defendants, including Robert Miles of Michigan who is attending the Aryan congress.

"But we have a great trial ahead of us — greater than any trial we've had before," Butler told the audience. "There's going to be further testing."

Brutal Attack - The Truth

I AM writing this statement after an article has appeared in that corrupt organisation's newspaper (NF News) claiming that my band is 'anti-nazi'.

Well, as everyone knows, this is a complete and utter lie. Just because I don't call myself an National Socialist does not mean that I am anti-Nazi. The ideals of Brutal Attack and *Blood & Honour* run parallel, as one. I am anti-Jew, anti-Commie and anti-Black: does that make me an anti-Nazi? I think not.

These lies are spread by Tory revolutionaries, ie Patrick Harrington. Now this snivelling little waste of space is bitching because he no longer makes any money from the Skinhead movement. He is the man (?) responsible for gigs being called off, and the hate mail being distributed of late. HE is the anti-Nazi / anti-White man, not Brutal Attack.

And there I rest my case.

Yours, Ken McLellan,
Rockin' for Race and Nation.

READERS LETTERS

Send your letters to Blood & Honour, BM Skrewdriver, London WC1N 3XX.

To B & H,

I want you to know this. In Holland you can't say what you think. When you try, there are plenty of anti-racist and anti-fascist organisations who define people who stand for white rights as criminals.

The white workers who are against immigrants are scared to say anything. When I see race mixing etc around me I only wish I could do more against reds and immigrants. I hope *Blood and Honour* is the beginning of something big and beautiful.

Racial Regards from
Melanie and M.V.P.
Utrecht, Holland.

Oi B & H,

I am writing on behalf of myself and several members from my platoon of the Coldstream Guards. We all follow your views and listen to Skrewdriver music. We are totally against the invasion of Britain by immigrants and are not afraid to speak out about it. We'll be going to Ulster soon and then we'll see the faces of the I.R.A. scum.

When the day of rising happens we wish to be at the front of the fight. Give us the chance to show our true feelings.

White Power.
F. and the Coldstream Guards.

Revolutionary Comrades,

Like a phoenix from the ashes comrades are rising from all around the white world and gathering behind the victory flag for the coming white revolution. The flames of survival are burning stronger than ever up here in the North and more and more white rebels are marching for the final victory and white power.

Vit Aggression, Ultima Thule, Dirlewanger, and *Agent Bulldog* stands at the front for R.A.C. in Sweden and rocks on for our blood and soil.

Every day brings the White Race and civilisation towards ruin and destruction. It is every white warrior, worldwide's, task to prevent that and never to show the white flag of surrender. Capitalism, Communism and Zionism will soon take their last breaths and a New Order will be build upon the ashes of todays dead reactionary, corrupt systems.

We send all the best white victory salutes to *Blood and Honour*. Our Honour is Loyalty.

Sodertalje Skins.
Sweden.

Blood and Honour,

This is just a short note to show our great appreciation for the B & H magazine's inspirational high standards and loyalty to its readers. We are also grateful to the bands and fans world-wide, who through magazines like this, are united with us in our struggle for white survival. May we enjoy victory.

Cheers,
Jim, Glenn and
all Perth skinheads.

Dear Editor,

Just a few lines to say well done and cheers to *Blood and Honour* for a great paper. It's always good to see White Nationalist bands getting praised rather than being slagged off by the press. Keep up the good work because the state would love to see you fall and bite the dust.

I am fully aware of the rift between B & H and the W.N. Club but I would just like to mention a White Noise band, Skullhead. How about an L-P review of their White Warrior album. As I understand it, it was recorded some time ago before Kev Turner was imprisoned. It goes to show what potential they have.

Well done Skullhead and well done *Blood and Honour*. Keep up the good work for our children's future.

P.S. Good luck to Ian Stuart with his court case.

Steve,
Reigate, Surrey.

Editor. Unfortunately we have a policy of only reviewing L.P's that we can provide to people. If we sold Skullhead's records it might put Kev in an awkward situation with the people who are making money out of him whilst he's in jail. However we are sure that the Skullhead L-P. is excellent and well worth buying and R.O.R. records can provide you with a copy.

Dear B & H,

I am writing to tell you that I enjoy reading your mag and look forward to reading further issues. I would like to say that at first I wasn't sure if B & H's intentions were good, mainly because of being a former member of the W.N. Club. I felt a lack of confidence towards any organisation after not receiving L-P.s I'd sent off to the W.N. Club for.

I am not slagging B & H off, far from it, as I now feel that B & H is a true Nationalist organisation run by dedicated people, unlike the scum who run the W.N. Club.

Although I don't yet subscribe to B & H I do receive issues from Nick Rich who I would like to thank for taking the time to send them to me. I wish B & H all the best for the future. I now feel that is a true organisation and you have my full support.

Mandy, Essex.

To Ian Stuart,

Today I managed to get hold of the Sunday People *Go* magazine. To my amazement I saw the article *"Evil Face of Youth"*.

After reading it I am proud to see that you have kept your Nationalist stance and showed no fear of expressing it. Although the report puts the Nationalist music scene down **(surprise, surprise, editor)** it also brings bands such as Skrewdriver into the open which will bring more support for B & H. It is also good to see the B & H circulation rising so much.

Unfortunately I've been inside for a while so I almost lost track of the scene because we are not allowed Nationalist publications in here. A friend managed to get me in B & H. No. 1 to read on a visit and I must congratulate you on an excellent magazine. The layout is great and it gives lesser known bands the chance to become popular. Anyway keep me informed.

Racial regards Paul,
H.M. Y.C.C. Everthorpe, Humbs.

SUN LIES

This cartoon appeared recently in your caring newspaper *The Sun*. The picture was next to letters sent in complaining about the spate of muggings referred to as steaming. Steaming usually occurs around the time of the Notting Hill Carnival or big soul or rapping concerts.

Apparently the *Sun* thinks that steamers are skinheaded white types. That's funny, we were under the impression that the majority of steamers weren't white at all, but then again the papers must be telling the truth, mustn't they?

Right Stuart you f------ w----- get this. We seen the latest Blood and Honour and it's a f------ disgrace. Very soon we will be visiting you and stabbing you. We've enclosed some gay pictures and we will also send some to your parents

So what is the deal we are not all loyalists. We've sent all the Flag, B.N.P. B.M. and your names and addresses to the IRA and our black brothers. We also sent your parents addresses, ha, ha, ha, ha. You are all traitors to Nationalism and we will kill you all. You are nazis and racist w------. We are going to get your s--- bands gigs cancelled because only White Noise National Revolutionaries will carry the banner of Nationalism. Hail Ghadaffi, Hail Harrington. Hail the Jhamaryadeen.

You'll be consigned to the scrapheap where you belong. You nazi scum can only wave the Union Jack and Seig Heil The Queen is a w-----. We are peoples' revolutionaries and we will work with brothers and sisters of all races to overthrow capitalism and build the third position.

You can all f--- off and join the nazi tories. Hope you like our pictures. Next time we'll send some real s--- or maybe a used condom to your mother. Watch your step Stuart as you're likely to die soon you f------ s--- b------. Why haven't you got the guts to print one of my letters in your s--- publication you nazi f-----.

Editor. Well, what can we say. Usually we only print letters that people put their name to. However Mr. Barrett, in your case, we'll make an exception because it is well known you suffer from a distinct lack of guts. Anyway Ian Stuart gave us this letter as he thought our readers could do with a good laugh, and once we had corrected all the spelling mistakes we certainly did. Funny, we weren't aware that the Tories were nazis. P.S. What the hell is the Jhamaryadeen?

NATIONAL FRONT
The Situation

WE FEEL that it is time to explain the situation with the National Front as it is quite confusing to some of our readers. The situation is that there are two parties calling themselves the National Front. What happened is a long story but we will briefly explain the events.

Two people, Patrick Harrington and Derek Holland began to rise into positions of some importance in the Party. They decided that they wanted to be the leaders and secure themselves a meal ticket. However there was several obstacles to overcome.

One problem was that these two would be hard pressed to raise the personality of a broomstick between them, and broomsticks do not get elected to leader's positions. The solution was to expel or slag down people with more personality. This meant most of the membership.

They engineered a split in the party and by lies and deceit got some members to believe in what they had done. They said that Ian Anderson, the Chairman at that time, was dishonest and had ripped people off including Skrewdriver and Brutal Attack.

At that time the bands believed Harrington's and Holland's vicious lies. Both bands have now realised that the real dishonesty came from Harrington and Holland, and both bands would like to unreservedly apologise to Ian Anderson for doubting him.

Mr. Anderson along with Joe Pearce, Martin Wingfield and Andrew Brons now run the real National Front and they produce *THE FLAG* newspaper and *Vanguard* magazine. Harrington by sneaky tricks still produces the *National Front News* which is now full of articles praising blacks and is more like a communist paper than a Nationalist one.

As we have said before we will work with any Nationalist from whatever party so long as he is trustworthy. Harrington's miniscule band of poofs have proved themselves to be working against Nationalism so obviously any co-operation by anybody with them will only endanger our cause.

In future issues of *Blood and Honour* if we refer to the National Front we will be talking about Ian Anderson's true National Front. To avoid confusion when we mention Harrington's leftie group we will refer to them as the Nutty Fairy Party which just about sums them up.

If you wish to contact any of these British Nationalist organisations write to the following addresses.

NEO-NAZI ROCK BANDS LINK WITH EURO-FASCISTS AND KU KLUX KLAN

BEN GIBBS

Ian Stuart, convicted for street assault, at his London bedsit. 'If people want to call our music racist, I suppose it is.'

Racists rock to a beat of hate

by DAVID BROWNE

FASCIST rock bands, formed around a breakaway skinhead faction of the National Front, are emerging from the shadows of secret underground concerts and winning new converts to their cause of racial hatred.

A neo-Nazi musical organisation known as Blood and Honour, which already has close ties with far-Right European political parties, is also developing strong links with the Ku Klux Klan and South Africa's extreme nationalist Afrikaans Resistance Movement.

Led by Ian Stuart, who was jailed for 12 months in 1986 for a street attack on a Nigerian in the King's Cross area of London, Blood and Honour is planning to tour Holland, Belgium, France, Sweden and the United States later this year.

Stuart, aged 30, born in Poulton-le-Fylde, near Blackpool, was the NF's Central London organiser and a member of the party's directorate until he was ousted in a bitter dispute over alleged impropriety soon after his release from Wayland Prison in Norfolk.

This year, in a marked escalation of their activities, Stuart's band Skrewdriver and other groups, which boast names such as No Remorse, Brutal Attack and Sudden Impact, have played in several pubs in London, Stoke-on-Trent and other English and Scottish cities.

A Scotland Yard spokesman said yesterday: 'We are aware of this group and the fact that they attract a right-wing skinhead element. We are aware of their activities and they are being monitored.'

Speaking at his bedsit in Argyle Square, King's Cross, surrounded by pictures of Nazi luminaries and fascist memorabilia, Stuart said last week: 'Our music is for white people. If people want to call it racist then I suppose it is. We sing about pride in your race and nation, pride for fighting for what you believe in.'

Blood and Honour was in close contact with the Invisible Empire of the Ku Klux Klan and Californian extremist Tom Metzger's White Aryan Resistance, he said.

'The Klan find our lyrics appealing because they concern pride in one's race, which is what they believe in. They have used our lyrics in their papers as a way of getting their message across to young people.

A squat, powerfully-built man with a Mussolini-style bonehead haircut and a taste for paramilitary clothes, he added: 'People come to our gigs because they like our music. Our songs are about things we believe in. But we are not a political party.'

A recent concert at The Star public house in London Road, West Croydon, was attended by more than 200 skinheads.

Racist insults, denouncing blacks and Jews, were hurled across the dance floor, and vendors did a brisk trade selling fascist literature, badges and records.

Another article on Blood & Honour, this time in the Sunday Observer.

ROCK OF THE RISING SUN

IN JAPAN the Nationalist skinhead scene is well and truly on the rise. A new LP and two excellent tapes have been produced. The company is called the Japanese Movement and is doing very good work.

The LP features the Bad Vultures, Bull the Dougs, Humpty Dumpty, J.M. Cracker Jacks. The two tapes feature War Machine and the brilliant Smash the USSR by Ryuichi Nakatani.

We have a tape available featuring all six bands for £3.50inc P&P from Skrewdriver Services, BM Skrewdriver, London WC1N 3XX.

We wish to give our best regards to the Japanese Movement and all its bands. Below is a RAC Chart sent by Japanese Nationalists from Osaka in Japan who send their anti-Communist regards to Blood & Honour.

1 **Smash the USSR** - *Ryuichi Nakatani*
2 **Rising Sun** - *Rising Sun*
3 **Streetfight** - *Skrewdriver*
4 **Stronger Than Before** - *Brutal Attack*

NEW GLORY - AMERICA AWAKES

The following is an interview with Fran, vocalist of the Philadelphia Nationalist band New Glory.

B & H. What is the line up of the band?
N.G. Fran S. - Vocals, Matt A. and Todd F. - Guitars, Tommy S. - Bass, Rob D. - Drums.

B & H. Why did the band form?
N.G. We formed because we all agreed that there were too few Nationalist bands in the U.S. with a rock 'n' roll style rather than a hardcore one. We have something to say. The message is loyalty and pride in our race and nation.

B & H. How is the skinhead and band scene going?
N.G. The number of Nationalist bands in the U.S. is on the rise. Y.D.L. from New York, One Way from Milwaukee, and the Midtown Boot Boys from Oklahoma. Also United Noise (not White Noise) from Philly are quite good. Things are stronger on the skinhead scenedespitethe media's attacks on us. For every hundred lies they print, there is a shred of truth they forget to edit. Therefore another youth realises his pride, and the media slurs backfire.

B & H: What are your aims, and do you get any problems due to them?
N.G Our first aim is to spread the Nationalist message to the youth of America and the world. Secondly, we want to inspire those who have grown weary of the fight for our race and nation. The odds are stacked against us and if we can keep the spirit alive in one fighting heart then it will all be worthwhile.

B & H. Any plans for recording?
N.G. We are in the studio recording an L-P. for release on Rock-O-Rama records. It will probably be called *Backlash*. For info on the band write to FRAN S./NEW GLORY, P.O. BOX 354, PHILA, P.A. 19105, U.S.A.

B & H. Anything else to add?
N.G. Thanks to Merv and Skrewdriver, all *Blood and Honour* bands, Herbert and R.O.R., Shawn S., and Dave M. from D.A.S.H., Dave of Hail Victory, One Way and S.H.A.M., Chaos Records, Peter (Pure Impact), Ernest and Kika (No Surrender) Michelle and Deb from N.J., Soc and White Justice, all skins against evil. Victory is Ours.

RECORD REVIEWS

GODS OF WAR (Compilation LP) Skrewdriver, Brutal Attack, No Remorse, Sudden Impact.

THIS L.P. is probably one of the best R.A.C. compilation L.P.s available. The bands and the songs are both excellent. The L.P. is splendidly kicked off with two tracks by No Remorse. The first track is an onslaught on the drug scene called *Shadow of Death* and the second a definite statement on where they stand called *White Pride, World Wide*.

The first Brutal Attack song is a cover version of Free's classic *Alright Now* and is powerful and catchy. Their other songs are *Think Again (White Man)* and the superb *End Of My Race* which I consider to be the best track on the L.P. Some of the lyrics are stirring, such as *"Look out there on those city streets, changed so much. I don't recognise the place, look at the white man dying on his feet, it looks to me, like the end of my race"*.

The second side of *Gods of War* is started by *Ready and Waiting* by Croydon's Sudden Impact, and a powerful patriotic song it is. One of the other songs by Impact is the popular *All For England*. Sudden Impact's tracks all show the bands undying English pride and are promising signs for their debut L.P. which will soon be recorded for R.O.R.

In the same vein as their excellent *White Rider L.P.* Skrewdriver provide us with *I'm A Free Man, The New Boss*, about being used by people who have no interest in the bands or fans (wonder who that means, Patrick), and finally the classic *Land On Fire* about the riots, and hopefully, the backlash. Look out for *Gods Of War* two.

This L.P. is available for £6.50 (£7.00 Europe) From SKREWDRIVER SERVICES.

FORWARD INTO WAR (Rock-o-Rama) Vengeance

THIS is the debut L-P. from Norfolk boys Vengeance, and it contains some great guitar work. The cover is colourful and eyecatching featuring the Vengeance logo.

Forward Into War, the title track, is a good start to a good L.P. The music is fast and furious, the vocals rough and raucous. If you like your music fast and loud you'll love this. It reminds me of a cross between the Exploited and Condemned 84.

The best tracks are *Forward Into War, Fight For Your Life* and *Wake Up England*. Most tracks refer in one way or another to the struggle for White Freedom, which has become the banner of many *Blood and Honour* bands who are not afraid to put across their unedited views.

Another band here who have broken away from the White Noise Club (we want your money) and have found unity and comradeship with *Blood and Honour* the world's biggest nationalist rock movement. We salute Vengeance for their courage.

This L.P. is available for £6.50 (£7.00 Europe). Cheques and P.O.s sent to: T. TYLER, 15, KIMBERLEY ST. NORWICH, NORFOLK, NR2 2RJ.

Obituary

WE would like to express our sympathy to the family and friends of a good friend of ours from Switzerland. Mirko, or Adolf, as he was known, on the evening of the 31st July tragically committed suicide.

As the sun sets on the West
We will remember him
A comrade loyal and true
We will remember him
A friend in Blood and Honour
We will remember him
This world is darker without him
Rest in peace comrade
See you in Valhalla.

WHITE Whispers

ANOTHER POLITICAL SOLDIER GETS A SLAP

A couple of weeks ago Mummy's boy Harrington called a meeting of what's left of his assorted group of poofs, deviants and freaks, commonly known to normal people as the "Nutty Fairy" Party.

Apparently a few of these revolutionaries went out on the town and met up with some real Nationalists. One of the Fairy Party members started spouting off about how Patsy and his mum were going to smash the B.N.P., The Flag group of the NF, the B.M. and Blood and Honour.

One of the normal people present didn't take kindly to this wimp from Blackpools' anti-Nationalist comments and gave him a few slaps. The political soldier ended up rolling around the floor squealing *"don't hit me, don't hit me"*. Sounds just like his leaders doesn't he?

LETTER FROM A FOOL

SOMETHING pathetic has once again reared its rather large ugly head onto the scene. One of our organisers received a letter delivered to his parents house the other week from a political soldier from the Nutty Fairy Party.

The Letter complains about so many people leaving the Fairy Party and makes several hilarious threats. The political soldier that sent the letter is a certain Phil Andrews who considers himself to be quite a lad.

He, like his leaders very rarely goes anywhere where normal people could see him. Due to his rather tubby frame he realises that should trouble occur he would find it difficult to trundle away from it. Our message to him is *"Fatboy - why not disappear back into your pint glass"*.

OLD LETTERS NEW TRICKS

APPARENTLY an old letter written by Ian Stuart to Derek "take the money and run" Holland is being sent out by the Nutty Fairy party. As you know Patsy and Del Boy owed Rock-O-Rama records a lot of money for a long time.

When this first came to light Ian Stuart complained to the odd couple about this delay in payment. The odd couple explained that it was all a mistake and would be sorted out at once. Ian Stuart believing them, wrote and apologised for complaining because he mistakenly trusted them.

Soon it became obvious that they were lying and did not intend to pay the money back when they had said, and that began the split from the party. Now the odd couple are sending out this old letter to try and get your money off you again.

Anyway people have seen through their little trick and the odd couple are still relying on the handful of mental defectives and queers that follow them.

WORLDS APART

IS yet another film about the evils of South Africa. Yes it's that old target for the leftie film-makers - apartheid. Apparently one of the characters is supposed to be modelled on the mother of Joseph Slovo the Jewish terrorist who fled from South Africa because he was wanted for questioning on bombings of innocent people.

Joe now sits in comfort in Mozambique with his Marxist friends and helps to direct his black fellow A.N.C. members to risk their worthless lives blowing up White South African children.

Wonder when we're going to see a film portraying the brave South Africans standing almost alone against A.N.C. savagery and communist aggression. Well, anyone can dream.

LORD OF THE RINGS

DOESN'T mummy's boy remind you of Saruman or Sharkey from Tolkien's epic book *The Lord of the Rings*. After his power has crumbled he reverts back to the pathetic thing he was previously.

He resorts to any dirty sneaky little tricks he can to cause disunity and mischief. Saruman comes to a grisly end at the hand of one of his own supporters.

It is well known that some of his dwindling members are not too keen on some of mummy's boy's antics or on some of his weird friends. We'd like to thank one such person for the information on Mummy's boy he sent us. The things you can do with a broomstick and a cauldron eh?

ALL OVER THE WORLD THE WHITE RACE IS BEING DRIVEN TO EXTINCTION. ALL THOSE WHO OBJECT, ARE PORTRAYED AS SICK, EVIL AND HATEFUL. ALL NON-OBJECTORS ARE FORCED TO LIVE IN A SOCIETY RAVAGED WITH CRIMINALITY, WHETHER IT IS CRIMINALITY OF BRUTAL STREET CRIME, OR THE CRIMINALITY OF THE GOVERNMENT AND INDUSTRIAL BOARDROOMS, WHERE THE WORTH OF *OUR* NATION IS BARGAINED AWAY FOR THE PRICE OF FOREIGN GOLD.

OUR ENEMIES ARE ALL AROUND, BUT, NOT HAPPY WITH THE ALMOST IRRETRIEVABLE DAMAGE THAT THEY HAVE CAUSED TO OUR RACE AND NATION, THESE PEOPLE WILL NEVER LET-UP UNTIL EVERY WHITE MAN IS UNDER THE HEEL OF THE EVIL OF COMMUNIST MULTI-RACIALISM.

THE MARXISTS OF THE *S.W.P.* HAVE RE-LAUNCHED THE *ANTI-NAZI LEAGUE* THIS, TO ADD TO THE VARIOUS ANTI-WHITE GROUPS THAT ALREADY EXIST. AND IN GERMANY, THE REGION OF BAVARIA HAS OUTLAWED SKINHEAD MUSIC BEING PERFORMED, SPECIFICALY BANNING *SKREWDRIVER , NO REMORSE* AND GERMAN BAND *RADICAL*. IN AMERICA, THE FBI HAVE BEEN INFILTRATING SKINHEAD GROUPS, INCITING THEM TO VIOLENCE, SECURING THE OUTCOME OF ANY ACTION. IN SWEDEN, THE POLICE SHOT A SKINHEAD DEAD IN COLD BLOOD. IN FRANCE, THE AUTHORITIES HARASS ANYONE SELLING NATIONALIST MUSIC, HAULING THEM OFF TO JAIL AND HANDING OUT HEFTY FINES. AND SO THE LIST GOES ON.

WITH SO MUCH STACKED AGAINST US, MANY PEOPLE WONDER AT OUR NEVER-DYING SPIRIT. BUT THERE IS ONE THING THAT THESE PEOPLE DO NOT TAKE INTO ACCOUNT. WE ARE WHITE MEN AND WOMEN, BORN OF THE BLOOD OF HEROES, WARRIORS, INOVATORS, CRAFTSMEN, WHO, IN THEIR DAY, FACED THE SAME APATHY AND SCORN, YET, IT IS DUE TO THEIR UN-DYING SPIRIT OF DETERMINATION AND SURVIVAL THAT MADE THE WHITE RACE WHAT IT IS - THE GREATEST CREATION EVER TO LIVE ON THIS PLANET.

BANNED NEWS

SKREWDRIVER CERTAINLY HIT THE HEADLINES RECENTLY AFTER 3 BAND MEMBERS WERE ARRESTED AFTER A TRIP TO GERMANY IN WHICH THE BAND WAS TO HAVE HEADLINED A CONCERT IN CELEBRATION OF GERMAN UNIFACATION. THE 3 BAND MEMBERS AND 2 SECURITY WERE ALL RELEASED LATE IN DECEMBER AND ARE AWAITING THE OUTCOME OF THE GERMAN AUTHORITY'S DESCISION AS TO WHETHER TO CONTINUE WITH THE CASE.

ONE OF THE MAIN FACTORS AS TO THE HEAVY HANDED APPROACH BY THE AUTHORITIES COULD BE IT'S FEAR OF A CLAIM BY THOSE ARRESTED FOR COMPENSATION, AFTER BEING UNFAIRLY DETAINED FOR SUCH A LONG TIME.

OFF COURSE THE HYSTERICAL LIARS OF OUR PRESS AND THE INFAMOUS TROUBLE-MAKERS FROM SEARCHLIGHT HAVE BEEN UP TO THEIR USUAL SMEARING CAMPAIGN.

LIFE IS NOT MUCH FUN IN A GERMAN JAIL FOR A YOUNG ENGLISH MAN, BUT ALL SEEMED TO HAVE COPED WELL UNDER THE CIRCUMSTANCES.

AT ONE STAGE, IT SEEMED THAT THE THREE HUNDRED OR SO, SKINHEADS, WHO ATTACKED THE JAIL, WERE ABOUT TO BE SUCCESSFUL IN THEIR BID TO FREE THE CAPTIVE NATIONALISTS.

AT THE TIME OF THE INCIDENT WHICH LED TO THEIR ARRESTS, IT MUST BE NOTED THAT THE SCALE OF RACIAL VIOLENCE IN GERMANY HAD HIT AN ALL TIME HIGH, AND IT SEEMS VERY PROBABLE THE LADS ARRESTED (THE COTTBUS 6) WERE AN EASY SCAPEGOAT FOR THE POLITICIANS FAILURE TO ACT ON THE REAL REASONS FOR THE OUTBURSTS OF RACIAL VIOLENCE. THAT IS TO SAY, THAT THE CRIMINAL INFLUX OF COLOURED IMMIGRANTS INTO GERMANYS BORDERS, SEEKING THE RICHES OF WESTERN CIVILISATION, WHILE BRINGING WITH THEM THE SQUALOR AND DECADENCE WHICH SO OFTEN PREVAILS THEIR PRESENCE.

NO REMORSE HAVE ENLISTED A NEW BASS PLAYER ALL THE WAY FROM THE LAND OF OZ. AUSTRALIAN NIGEL, USED TO PLAY FOR NS SKINHEAD BANDS *ORDER OF THE BOOT* AND *WHITE LIGHTNING* . ANY HOPEFUL BASS PLAYERS STILL AFTER A POSITION WITH ONE OF R.A.C'S MOST PROMINENT BANDS, DON'T DISPAIR, AS NIGEL HOPES TO TAKE UP THE POSITION OF 2ND GUITARIST.

THE BLOOD AND HONOUR FILM CREW WILL BE OUT AND ABOUT IN THE PRECEDING MONTHS, PUTTING TOGETHER CLIPS OF LIVE MUSIC, INTERVIEWS WITH THE BANDS AND MUCH MORE, SO KEEP AN EYE OPEN FOR THAT SOON.

ANOTHER POINT CONCERNING THE 'COTTBUS 6', WE AT *B&H* WERE DISHARTENED TO SEE THE LACK OF COVERAGE IT WAS GIVEN IN "OUR" FANZINES.

OUR PEOPLE WANT TO KNOW WHAT'S GOING ON, AND IF THEY'RE NOT GOING TO GET IT FROM THEIR OWN PEOPLE, YOU CAN BET THAT THEY'RE NOT GOING TO GET IT FROM OUR 'EVER-BIASED' NEWS MEDIA.

THERE CERTAINLY SEEMS TO BE A BOOM IN NATIONALIST MUSIC BEING PRODUCED ON COMPACT DISC, AND IT'S UP TO US TO SUPPORT THE RECORD LABELS WHICH PUT THEIR NECK OUT FOR OUR MUSIC SCENE.

DUE TO THE EVER DECREASING USE OF VINAL IN THE MUSIC INDUSTRY, NATIONALIST LABELS MAY BE FORCED TO SOLEY PRODUCE CD'S, THIS MAY COME AS A QUITE A BLOW TO THOSE OF YOU WHO HAVE PRIDE IN BUILDING YOUR RECORD COLLECTION, BUT IT REALLY DOES LOOK TO BE OUT OF THE HANDS OF THE LABELS, MANY OF THE BANDS WILL BE PLEASED WITH THIS NEWS, AS THE SOUND QUALITY IS SO MUCH BETTER ON CD THAN LP, AND CD'S HAVE ROOM FOR A BOOKLET IN WHICH TO CONTAIN THE BANDS LYRICS, THUS ENHANCING THE MEANING OF THEIR SONGS.

BLOOD & HONOUR WOULD LIKE TO WELCOME BACK *SKULLHEAD* AFTER THE BANDS RE-FORMATION IN DECEMBER. SINCE THEN, THEY HAVE BEEN UP AND DOWN THE COUNTRY PLAYING THEIR OWN BRAND OF 'ODINIC ROCK'.

NO REMORSE ARE TO HEAD A EUROPEAN SKINHEAD FESTIVAL IN SPAIN THIS MARCH AMONG OTHER BANDS SET TO PLAY ARE *BATTLE ZONE* AND *VIOLENT STORM*. FOR MORE INFO CONTACT *B & H*.

CRYPTA MUSSOLINI

~~BLOOD AND HONOUR~~

~~VISIT TO ITALY.~~

BENITO MUSSOLINI WAS BORN, JULY 1883 IN THE SMALL TOWN OF DOVIA.

After the War, Dovia became known as Predappio as an attempt by the Italian Government to erase the Memory of one of Italys Greatest sons.

Predappio is situated in the Romagna region of Northern Italy. Driving to Predappio took some time, but even though a hot car is the last place you'd like to be in the blazing heat, this was made easier by the splendid view of the Beautiful countryside, of which Italy is so famous.

Crypta Mussolini can be found in the local cemetary. Inside the tomb you will see the *Tomba Mussolini* above which stands a bust of the Fascist leader.

To the side of the tomb are glass cabinets showing some artifacts dating back to some of his finest and final hours, including the hat he wore when he was shot.

One of the strangest things there, was a small coffin which holds part of Mussolinis brain, aparently it had been taken away by an American scientist, and finally returned to the tomb by the family.

As you leave the tomb, you can see a small chapel containing some of the Italian leaders possesions.

The trip to Predappio was really interesting and made all the more so, by the Cemetary worker who told us a great deal more, than can be read in the hundreds of books on Mussolini.

On our way out of Predappio we were lucky enough to pick up some great souvenirs from many of the shops, ran by some of the old guard.

GRADE ONE are another new band adding strength to the resurgence of the *Blood & Honour* scene in Britain. Last year they had their debut single released and have only recently recorded some music for the forthcoming *Last Chance* compilation LP. *Blood & Honour* got the run-down on things with vocalist *Mick*.

Your music is a fast, Oi type sound how do you feel about this discription ?

As Skinheads, this is what we wanted to achieve.We want people to enjoy themselves and what better way than at a mad gig.

Where does the band stand politicaly ?

We agree with the policies of the British National Party. We also fully support Blood & Honour and the fanzines which keep us up to date with everything.

How do you feel about the escalation of the drugs problem in Britain and Europe ?

This is a problem that some of our unwelcome guests in our country thrive on. It's time people really see who is doing the pushing of this evil, and it's time that they stood up against it. Bring back the rope for the Drug dealers !

What do you think about the decline in numbers of Skinheads in Britain ?

The way I see it, at the moment, isn't a great number of Skinheads in Britain , but there are a lot of ex-Skinheads who are still on the scene. We must all keep our faith and stand as one strong unit.

Which people do you think have given outstanding service to the cause ?

Nowadays there are people like Fred Leucher and Ernst Zundell who have done a lot to expose the "Holohaux".Also John Tyndall for gaining so much support for the BNP. In America, the Metzgers are having a rough time but never loose direction. In France Le Pen is finally bringing his people to their senses. There are many others.

Skinheads - *Our* Movement, through *Their* Eyes.

A new book on *Skinheads* was published last October by ST Publishing based in Scotland. In many ways, it was similar to other books on the subject, and although covering the *Blood & Honour* scene, it still failed to portray the whole truth about the Skinhead Movement.

A Way of Life, traced the Skinheads origin back to the sixties, and as many a leftie has tried to make stick, the book tries to credit the birth of our Movement to Drug Smoking, West Indians. It is common knowledge that many Skinheads listened to *Ska* or *Skinhead Reggae* back in the late sixties, early seventies, but this fact, does not mean that Skinheads were Multi-Racial, as many an ex-Skinhead will tell you. *Skinheads* has always been a White Working-Class Youth Cult. Even from the early days, Skinheads were associated with Racialism.

The book does give a run down on most of the *Blood & Honour* bands, but not without the odd, sly comment or petty dig. Nationalist Skinheads, who ARE the Movement, are portrayed as glue-sniffing, brainless Thugs. We have come to expect this sort of coverage from the Mass Media, but from a book claiming to be *The Skinhead Bible*, it ranks a little poor.

The excuse brigade are at hand to guide us through the Sham to Oi years, Distancing themselves from the right-wing elements and distancing themselves from the truth. Southall doesn't need apologies, it needs to be asked why our Movement has to put up with organised violence directed at Skinhead Concert goers, and organised Media lies at the bands who perform. Yes, the crowd at the 4-Skins gigs were mainly from either the NF or BM, and Yes, the band held Similar views. Yes, the majority of Skinheads are Nationalists, then and now. So what if that upsets a few left wing media Bullshitters ? Since When has the real Skinheads ever woried about upsetting people like that, or any other people, for that matter.

God only knows why the book covers the likes of the *Redskins*. Margaret Thatcher had more to do with the Skinhead Movement than these trendy Lefties.

The book may well be worth getting, just for the sake of knowing what they say about our Movement, but think about where you buy it from. Your Address in their hands

RACE *IS* OUR RELIGION

If you believe what the press say about Nationalists, then you would probably be led to believe that our Movement is "Anti-Religion". The Truth couldn't be further from these Zionist lies.

We have Nationalist Catholics, Racist Prodestants, White Supremacist Christians, National Socialist Odinists... the list goes on and on. Theres one thing that keeps us all together, that is our un-dying belief and dedication to the Survival of the White Race. Our Enemies plot to divide our Movement, with what ever Ammunition they can muster up in their sick minds, Religion is often a subject they prey on.

Whatever Religion you follow, you must not let this cloud your judgement enough to dis-associate yourself with fellow Nationalists, just because they have a different Religious outlook (followers to judaism exempted).

This also goes for different Political Parties, who may differ slightly on approach, Economic Issues or Personalities. So come Odinist, Conservative, National Socialist, Catholic, Populist, Creator, Identity, Facist or Christian. The supreme goal for us is the Unity and advancement of the White Race.

Dear *Blood & Honour,*

I am writing to give your readers information about the scene, here in Italy.

The concert here in Vicenza was a great success, especialy because the "Democratic Authorities" and the dirty gangs of commies couldn't stop the gig, and Skrewdriver played very well.

We have re-grouped the best of the Italian Skinheads under one Organisation called "Basse Autonoma". We are working with National Revolutionary groups, such as "Movimento Politico" and "Avanguardia". This collaboration is growing well, and we plan to have some other big events in '92.

In Italy there are many new Skinzines, and Skinheads are incresing by number and organising in many Towns. The new single of Peggior Amico will be out soon, so too, The album of Power Skins, on Rebelles Europeens. V.B.R. are working on their third LP. Nomina Dresda are reforming and are joining the scene with new bands, such as, Gesta Bellica and Bulldog Skin.

National Socialist Greetings to Blood & Honour, and Racial regards to Jon H., Jon B., and Stigger of Skrewdriver.

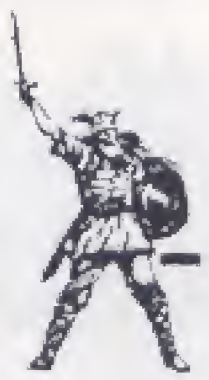
V.F.S. - C.P. 12 - 36045 LONIGO, VICENZA, ITALY.

Dear Blood & Honour,

Swedish News from your comrades of VAM. We are glad to say that there are good signs for our Movement here, Dirlewanger are planning some concerts and they are preparing for their third LP for Rebelles. Also VIT AGGRESSION have a new demo out soon, it is entitled "Death To ZOG!".

There is a man over here, unknown to us, that who has shot six coloured Immigrants, no-one knows what will happen next, but one thing is for sure, the non-Aryan people are very afraid.

There is also now a Swedish 'ORDER'. they have a lot of money and guns, and although some of them are now in prison, The ORDER Continues. Some of them are ex-Skinheads.



That's our news for today. There is a lot of Support of Blood and Honour here. Victory or Valhalla. VAM VAM, BL 170, 114 79 STHLM, SWEDEN

BLOOD & HONOUR INTERVIEW....

CELTIC DAWN

CELTIC DAWN, AS THE NAME SUJESTS, HAIL FROM IRELAND, THE EMERALD ISLE. BEING THE ONLY NATIONAL SOCIALIST BAND IN THEIR COUNTRY HAS MADE THINGS DIFFICULT FOR THEM, BUT YOU CAN'T KEEP A N.S. BAND DOWN, AND AFTER THEIR RECENT DEBUT ON ENGLISH SOIL HAS PROVEN, THIS IS A BAND TO BE TAKEN SERIOUSLY. *BLOOD & HONOUR* CAUGHT UP WITH THE BAND ON THEIR RETURN TO IRELAND FROM THE AFORE MENTIONED SUCCESS IN ENGLAND.

WHAT DID YOU THINK OF THE REACTION YOU RECIEVED ON YOUR ENGLISH DEBUT, AND WHEN DO YOU THINK YOU'LL RETURN ?

WE ALL THOUGHT IT WAS GREAT, WE HAD AN EXCELLENT TIME AND EVERYONE WE MET WERE FRIENDLY AND VERY ENCOURAGING. WE WILL BE BACK !

BECAUSE YOU ARE FROM IRELAND, I THINK MANY PEOPLE WOULD BE INTERESTED IN YOUR VIEW OF THE I.R.A. ?

WE COULD NEVER SUPPORT THE I.R.A. OR SINN FIEN, THEIR MARXIST IDEALS ARE A THREAT TO OUR ECONOMY AND OUR RACIAL PRIDE. WE THINK THAT AN INDEPENDENT ULSTER WITH CO-OPERATION FROM BOTH SIDES OF THE ULSTER COMMUNITY WOULD ONLY WORK IF IT WORKED OUTSIDE THE REALM OF DUBLIN OR WESTMINSTER.

***CELTIC DAWN* HAVE A VERY STRONG IMAGE, COULD YOU GIVE US A BRIEF RUN-DOWN ON THE CONTENTS OF YOUR SONGS ?**

IN MANY OF OUR SONGS WE TRY TO EXPRESS OUR DEEP BELIEF IN NATIONAL SOCIALISM, WE THINK THAT A NATIONAL SOCIALIST GOVERNMENT WOULD ERADICATE SO MANY, IF NOT ALL, OF OUR NATIONS' EVER-BURDENING PROBLEMS, AND THIS IS PORTRAYED IN OUR MUSIC. WE ALSO SING ABOUT OUR PRIDE IN EUROPE, OUR HATE FOR DRUGS , AND OUR GOVERNMENTS FAILURE TO STOP THIS EVIL POISON REACHING THE YOUNG PEOPLE .

HAVE YOU HAD ANY CONTACT WITH ANY RECORD LABELS, AND DO YOU FEEL READY TO COMMIT YOURSELVES TO VINAL ?

WE HAVE BEEN IN CONTACT WITH *REBELLES EUROPEENS* IN FRANCE, AND THEY HAVE ASKED US TO RECORD AN LP. WE HOPE TO HAVE THIS RECORDED AND AVAILABLE BY SPRING. WE ALSO HOPE TO HAVE SOME T-SHIRTS OUT TO CO-INCIDE WITH THE RECORD RELEASE.

ON A MORE POLITICAL THEME, WHICH PARTY OR PARTIES WOULD YOU GIVE YOUR SUPPORT TO IN IRELAND ?

THE ONLY GROUP WITH THE GUTS TO TAKE UP THE BANNER OF NATIONAL SOCIALISM IS THE *NATIONAL SOCIALIST IRISH WORKERS PARTY* THIS PARTY HAS BEEN THROUGH A LOT OF PROBLEMS LATELY, MAINLY DUE TO THE TOUGHENING OF IRELANDS RACE LAWS, BUT ALTHOUGH THEY NOW OPPERATE FROM AN ADDRESS IN AMERICA, THEY ARE STILL ALIVE AND KICKING IN ,DUBLIN, CORK AND MANY OTHER REGIONS OF IRELAND.

DO YOU HAVE ANY MESSAGE FOR *BLOOD AND HONOUR* READERS ?

WE MUST ALL ACT NOW, FOR WE, AS A RACE, ARE RUNNING OUT OF TIME . EVERYTHING THAT WE STAND FOR IS BEING DOWNED IN A SEA OF ANTI-WHITE LIES. THE WHITE RACE IS NATURES FINEST CREATION, IT IS THREATENED BY OUR FOES. WE MUST ALL STRUGGLE FOR A GLORIOUS ETERNAL RACIAL TRINITY.

***BLOOD AND HONOUR* WISH *CELTIC DAWN* ALL THE VERY BEST FOR THE FUTURE , AND WE ADVISE OUR READERS TO LOOK OUT FOR THIS BAND AND THEIR FORTHCOMING LP.**

WHITE WHISPERS

● DIRECTOR OF PUBLIC PROSTITUTION

Now that the ex-director of public prosecutions, Alan Greene, has been caught consorting with prostitutes in Kings Cross, leading to his resignation, we wonder where the large quantity of *Skrewdriver* merchandise is. We also wonder where the personal mail and Heavy Metal records are. All afore mentioned items were seized from the home of , the then, director of *Skrewdriver Services* over 18 months ago.

Anyway Mr Greene, If we see ladies of the night hanging around in T-Shirts proclaiming the legend "Skrewdriver -Europe Awake", then we'll know what you paid with for your seedy gropings, won't we.

● POOR OLD GERRY

Poor old Gerry Gable is running scaredthese days, having gone too far even for his friends in the police force. He has gone and got himself in a right old fix. Following serious charges against him for incidents at Kensington library last year, Gerry is advertising in his ridiculous, fictional rag SEARCHLIGHT for people who are willing to come forward and lie for him, in court. I can think of at least Six Million liars who wouldn't mind purjuring themselves again, my boy.

Despite massive pressure on the police and judiciary to drop charges against Gable, by his Zionist backers. Old Gerry obviously can't sleep at night. Mind you, he's always got his wife to confort him. Word is that she's had plenty of practice.

● CAPT'N BOB (LABJI HOCH)- THEIVING BAS-TARD

There's only one thing to say to those people who were foolish enough to get ripped-off by the Communist, Zionist, Capitalist Robert 'Mossad' Maxwell - GOOD!

● BACK AND KICKING

After several attempts by the Zionist controlled Authorities to smash *Skrewdriver, Skullhead* and *English Rose*, two of the three are back on the road, and we hope that it won't be long before *English Rose* are belting them out like the rest of them. That which does not destroy us - Can only make us Strong !

● MR. NOBODY

Apparently at a recent concert (?) in London, something that calls itself 'Mensi'(or is that Messy) spent the whole night slagging off Patriots. The reason that it spent so much time spouting off Red politics, is so that it didn't have to sing (anyone who's ever had the mis-fortune to hear it, will know why). The directive of his insults was obviously an attempt to get a mention in a top class magazine (i.e. Blood & Honour), being fed up of apearing in those illiterate, badly printed Leftie rags. Well Mr Nobody - You've done it. Maybe now, all your comrades in *Dread Action* will over look all of your Contradictions (i.e. Playing 'Last Night Another Soldier' to IRA Supporters, to name, but one) and welcome you in to their Anti-British little sect.

● ANGELIC CRAPSTARTS

Messy (oops) Mensi has been claiming that he will personally make sure that both *Skrewdriver* and *No Remorse* will never play in London again. Funny, that coming from someone who daren't even return to his home town. Looks like poor old Mr Nobody will end up with egg on his oddly shaped chin. doesn't it.

Blood And Honour have secretly come into possesion of the new Angelic Crapstarts play list, the alterations, are obviously designed to curry favour with their new friends.

1. ~~Guns for the Afgan Rebels.~~
   Guns for the IRA Gangsters.
2. ~~England.~~
   Ireland.
3. ~~Last night another Soldier.~~
   Hooray, another dead British Soldier.
4. ~~Lonely Man of Spandau.~~
   Lonely men of H Block.

Do you think that there is any truth in the rumour that Mensi only jumped on the Red bandwagon, because they are the only people who would have him. If the rumour is true, Any Red with a head for Business would make a mint selling cotton wool outside any future 'Crapstarts' gigs.

ACAB

ALL COPPERS ARE BASTARDS

For some time now, Nationalists in this country have been aware that, in the hands of the Police, we are unfairly treated, to say the least. Yet, so many of our people are like putty in their hands.

Many take the attitude that "We're British, and we've committed no crime other than defending our Nation". Why proffess your reasons to the very people that uphold the laws that make us second class citizens in our own land ? By doing so, you simply make their job easier.

If you believe that there are such things as Freedom of speech and expression, Deomocracy and unbiased justice, then stick your head back in the sand.

To get their results, the Police use many methods of extracting what they want out of their accused. Some will pretend to secretly admire your cause, whilst luring you into a false sense of security. Others will tell you that your friend has pointed the finger at you, in the hope that this would infuriate you enough to react unfavourably towards your friend, thus implicating both yourself and your friend.

There is one simple solution to avoiding their traps, and you are well within your rights to do it. Simply answer all their questions by saying "I HAVE NOTHING TO SAY". When you do this, watch their smarmy faces drop, as they realise that if they have no hard evidence, then they will have no case against you. By law your only requirements are your name,age and address. REMEMBER 9/10 CONVICTIONS GO ON CONFESSIONS. DON'T BE ONE OF THEM.
